Scientific and Technical Aerospace Reports ,1965 *The Province of All Mankind* Stephen Buono,2025-07-15 The Province of All Mankind is the story of a powerful idea about the cosmos Born in the science fiction literature of the nineteenth century and maturing in the Age of Apollo this idea held that outer space should be preserved as a sanctuary from human strife free from weapons warfare and political rivalry If humanity could somehow leave violence behind as it moved into space perhaps peace would finally reign Bucking a half century of space race scholarship Stephen Buono argues that despite waging a totalizing Cold War the United States achieved stunning diplomatic successes that heralded the cosmos as a realm of peace and cooperation The early story of space politics is not primarily one of militarization but rather of political prescience and restraint The Province of All Mankind demonstrates that space became a unique domain of American foreign relations and international law and provides lessons for the Second Cold War unfolding over the horizon Technical Abstract Bulletin Defense Documentation Center (U.S.),1964 **Road and Track** ,1969 *Human Factors Engineering Bibliographic Series* ,1960 Audio Amateur ,1990 Reference Services Review ,1973 **U.S. Government Research Reports** ,1964 **Moody's Industrial Manual** ,1963 **Splendid Vision, Unswerving Purpose** Aeronautical Systems Center (U.S.). History Office,2002 This volume explores the nature of civil war in the modern world and in historical perspective Civil wars represent the principal form of armed conflict since the end of the Second World War and certainly in the contemporary era The nature and impact of civil wars suggests that these conflicts reflect and are also a driving force for major societal change In this sense Understanding Civil War Continuity and Change in Intrastate Conflict argues that the nature of civil war is not fundamentally changing in nature The book includes a thorough consideration of patterns and types of intrastate conflict and debates relating to the causes impact and changing nature of war A key focus is on the political and social driving forces of such conflict and its societal meanings significance and consequences The author also explores methodological and epistemological challenges related to studying and understanding intrastate war A range of questions and debates are addressed What is the current knowledge regarding the causes and nature of armed intrastate conflict Is it possible to produce general cross national theories on civil war which have broad explanatory relevance Is the concept of civil wars empirically meaningful in an era of globalization and transnational war Has intrastate conflict fundamentally changed in nature Are there historical patterns in different types of intrastate conflict What are the most interesting methodological trends and debates in the study of armed intrastate conflict How are narratives about the causes and nature of civil wars constructed around ideas such as ethnic conflict separatist conflict and resource conflict This book will be of much interest to students of civil wars intrastate conflict security studies and IR in general
