Martin Guiney, 2017-05-31 This book argues for the importance of literature studies using the historical debate between the disinterested disciplines art for art's sake and utilitarian or productive disciplines Forgoing the traditional argument that literature is a unique spiritual resource as well as the utilitarian thought that literary pedagogy promotes skills that are relevant to a post industrial economy Guiney suggests that literary pedagogy must enable mutual access between the classroom and the outside world It must recognize the need for every human being to become a conscious producer of culture rather than a consumer through an active process of literary reading and writing Using the history of French curricular reforms as a case study for his analysis Guiney provides a contextualized redefinition of literature's social value *Kaplan AP English Literature and Composition, 2007 Edition* Denise Pivarnik-Nova, 2006-12-26 3 full length practice tests detailed answer explanations proven score raising strategies targeted content review key terminology defined in context sample essays for Free Response questions **Cracking the AP English Literature &**
