The author, a long time storytime facilitator, has put together 52 weekly themes plus additional plans for holidays all with detailed instructions for talking about the theme and choosing the books, crafts, songs, poems, games, and snacks. Each storytime idea is illustrated with photographs of a suggested craft and snack for easy reference. Amazingly Easy Puppet Plays Dee Anderson, 1997. What better way to hold children's attention during storytime than with puppets? Even in an age of technical wizardry, clever dialogue, and home made puppets are all it takes to entertain children. Author Dee Anderson has presented puppet skits for sixteen years in libraries, schools, parks, day care centers, a mall, and other community locations. Each of these forty-two scripts has been audience tested some more than one hundred times. You'll find programming material for ages 18 months to 12 years. A former children's librarian herself, Anderson has created scripts that are accessible and practical for busy librarians and others who work with children. The Great ABC Search
