drawn out essays Instead one point will be clarified concisely so the reader can move on to another In this publication the Jesus of faith which for so many centuries was unquestioned will give way to the more likely Jesus of history We ll utilize a perspective of Jesus that has been intensely scrutinized by scientific and historically oriented research methods In doing so we hope to provide a better understanding of what this wondrous sage and visionary had to offer mankind This more scrutinized perspective of the life and teachings of Jesus began emerging in 1906 when Nobel Prize winner Albert Schweitzer also known as a great doctor and humanitarian wrote *Quest Of The Historical Jesus* Research on the subject of a historically more accurate Jesus has dramatically increased in the last 30 years As well as being called the Jesus of history this perspective is also referred to as the historically more accurate Jesus and the historical Jesus More than 100 biblical scholars researchers and professor participated in this scientific research Almost all of these scholars have PhDs or the theological equivalent What they found was a better understanding of the founding prophet of Christianity and what this man of great wisdom said
