Master Tell me Master said to him as he stood at attention Tell what sir he asked Why did you fail the inspection I I don t know sir I didn t know I had until you told me You know Christopher I don t really believe you He looked at the ground flustered and stammering After a few seconds he fell silent and he closed his eyes Master watched him coolly Another moment ticked by and then he opened his eyes and raised them to meet Master s Notice This title includes themes and passages that have been adapted from Jessica Whitethread s His to Train series with full consent of the original author
