Always Been You Second Chances 1:

That Second Chance Boxed Set 1 Mary Campisi, 2016-03-01 Bestselling romance and women's fiction author Mary Campisi brings readers Books 1-3 of That Second Chance series in a boxed set. Her small town romances center on family, life, friendship, forgiveness, and of course second chances as they explore the issues of today's contemporary women. Sometimes we're lucky enough to get that second chance in life and in love. That Second Chance Series are stand-alone stories of strong women who battle heartache and loss with courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance.

Pulling Home She'll risk anything to save her child, even the truth. It's taken nine years and a cross-country move, but Audra Valentine Wheyton has kept her secrets safe. She's created the perfect life: a husband who loves her, a daughter she adores, and a position as head writer for an award-winning daytime soap. When her husband dies suddenly, Audra returns to her hometown for the funeral and faces a community that has not forgotten her meager beginnings and the man who has never forgiven her for marrying his brother. Jack Wheyton is a successful pediatric neurosurgeon who is about to become engaged when Audra walks back into his life with her daughter. He forgave his brother long ago for taking something that had been his, something he hadn't even realized he wanted until it was gone. But forgiving Audra is another story, and forgetting her, near impossible. When a shattering illness strikes Audra's daughter, she turns to Jack to save her child and risks exposing a secret that will change their lives forever. The way they were promised to love one another forever, but tragedy tore them apart. Now destiny may just bring them back together.

At Eighteen Rourke Flannigan and Kate Redmond thought they'd spend the rest of their lives together until a family tragedy tore them apart. Fourteen years have passed, and they've both carved out separate lives, hundreds of miles apart. Hers as a wife and mother, his as a successful driven businessman. But once a year, Kate pulls out a red velvet journal and writes a letter which she'll never send to the man who still owns her heart. Once a year, on the anniversary of the first and only night they made love, Rourke permits himself to read the annual investigative report detailing an ordinary day in Kate's life. When a subcontractor at one of Rourke's holding companies is killed, Rourke decides to pay the widow a visit and offer condolences, never dreaming the widow will be Kate. As they embark on a cautious journey of rediscovery, one far greater than they could have imagined, secrets and lies threaten to destroy their newfound closeness forever.

Simple Riches Big city girl falls for small town doctor, but there's a problem. He doesn't know she wants to turn his town into a resort. Alexandra, Alex Chamberlain, is a big city girl who knows nothing about close-knit families, sibling rivalry, or receiving an unsolicited opinion in the name of family. She's been raised by an aunt and uncle who've provided her with a wealthy lifestyle and a fancy education, but have withheld what she craved most: love and acceptance. Her uncle has taught her to disregard everything but the bottom line on a balance sheet, and she'll do anything to earn his approval. She prides herself on excelling at her job, which is selecting small towns to buy, flatten, and replace with luxury resorts. When Alex decides to investigate Restalline, Pennsylvania, as a potential

site for the next resort she enters the town under the guise of a researcher gathering information for a documentary Her uncle wants this project badly and she s not going to disappoint him This town should be like all the others Only it isn t This town has the Androviches **Second Chances Trilogy Book 1: Behind Brown Eyes** Melinda Burnley,2020-02-16 Jacob Thorn a boy with a shadowed past became a different person after watching his sister die No one has been able to penetrate the darkness residing in his heart He never allowed himself to hope for a better future Selena Johnson a girl with a broken soul has been abused by her boyfriend She has been trying to break free in her music Yet as long as she stayed with this man she fears her future dreams When they meet Jake and Selena see sparks fly They can become their salvation But will their love bloom when it is threatened by a mutual enemy Rough: Books 1-4: An MC Biker Second Chance Romance Box Set Summer Cooper,Sienna Chance, Embark on an adrenaline fueled journey with our sizzling Motorcycle Club Romance Series where brotherhood loyalty and passion collide by USA Today Bestselling contemporary romance author Summer Cooper and her friend steamy new adult romance author Sienna Chance Juvie kid Jailbird mom Runaway dad Kye had a rough start in life He had never loved anyone He was too scared of goodbyes But the summer he met Eliana he couldn t help falling in love hard Maybe it was even love at first sight Like him Eli had a tough childhood too Unlike him she s smart Harvard smart She could leave this place Leave and have a much better life Kye will make sure of that He ll spend the rest of his life protecting her He ll do whatever it takes Even if it means joining the Demons the motorcycle club in town Follow the thrilling lives of four rugged bikers bound by the unbreakable bonds of their MC family They live for the road the freedom it brings and the adrenaline rush that comes with every twist and turn These men love their club hard but when it comes to the women who capture their hearts they love even harder Books in this MC romance box set 1 Rough Start 2 Rough Ride 3 Rough Choice 4 Rough Return Get ready for a rollercoaster of emotions thrilling action and sizzling passion that will keep you turning the pages Join us in this heart pounding Motorcycle Club Romance Series that proves true love is the ultimate ride Caution This book contains steamy scenes that will make your heart race and your cheeks blush Reader discretion is advised If you re a fan of authors like Joanna Wylde Kristen Ashley Nina Levine and Madeline Sheehan then you re in for a wild and passionate ride with my Motorcycle Club Romance Series *Second Chance Mates Collection 1* Rosa Swann,2017-06-13 What would you do if your estranged Alpha died leaving behind an Omega and child with no one to care for them Wilder Ten years ago Logan left me He told me that two Alphas cannot be together that our mating wasn t real Yesterday my sister called and told me that Logan passed away That he s leaving behind an Omega and a young child Today I m at Logan s funeral Trying to stay out of sight I notice how Logan s family treats his Omega Why am I the only one willing to help them Sterling Logan and I had everything we ever wanted A lovely cottage a beautiful daughter and lots of big dreams Then he was ripped away from us in a car crash Now Logan s family is about to leave me to fend for myself after the funeral Until one of Logan s old friends steps in Only in all the commotion I didn t keep an eye on the calendar And my heat starts at the most inconvenient of times

Fighting Chance: I'm not bitter that Savannah St James rejected me in high school. It's her cluttered storefront I have a problem with. Still, it's hard to stay mad at her when she's more beautiful than I remember, and her son keeps finding new ways to sneak over to my hardware store every chance he gets. While I admit he needs a male figure in his life, I'm the wrong guy for the job. Despite my reluctance, the little guy brings us together even as our pasts keep us apart. One More Chance: Telling everyone my best friend Max and I are dating was a panic move. But when my younger sister announced her engagement, I knew my parents were going to crank up the pressure cooker to see me settle down. We were polar opposites: A tattooed bar owner and a strait-laced math teacher. Who'd actually believe it? Lucky Chance: He's a gruff police officer who only seems to see the worst in people. I'm the free spirit who believes there's good in everyone. When there's trouble in my neighborhood, he's everywhere. I turn looking sexy in his uniform. There's a problem: he's my sister's ex, which means he's completely off-limits. **Second Chance Harbor (Books 1-6)** Lea Coll, 2024-01-09
