pronounced in evangelical Asian American and Latinx congregations where women's voices are marginalized and male dominance is reinforced in the church as well as the family. The consequences are enormous: robbing the church of the fullness of the gospel, silencing the voices of women preachers, masculinizing Christianity, losing younger generations of women leaders, modeling structural power inequality, increasing violence against women. Making academic hermeneutical work accessible for the pulpit. A Biblical Study Guide for an Equal Pulpit reappropriates a gendered approach to biblical texts. Among the perspectives investigated. Kay Higuera Smith's *Two Mothers Two Promises* takes a perspective shifting look at Sarah and Hagar. Eunhy P. Lee's *Valorous and Wise Women Who Build Up the House of God* depicts Ruth and the woman of Proverbs 31 as builders of the household and Sophia Magallanes Tsang's *Listening for Your Voice Let Me Hear It*. The Prophetic Feminine Voice in Songs 8 interprets the Song of Songs as a prophetic female voice.

SCM Studyguide: Theology in the Contemporary World Ben Pugh, 2017-11-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads. They are bombarded with claim and counter claim as soon as they want to tackle anything topical. The contentious subjects tend to be the historical Jesus, gender and sexuality, or the atonement. Other subjects might be less contentious but attract an astonishing excess of literature. Take the vast literature tackling the subject of the Church, for instance, or the bloated body of tomes on various aspects of Pneumatology. This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive, approachable and informative. It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry. Subjects covered include: The Quests for the Historical Jesus, Third Article Theology, The Missional Church, Liberation Theology, Feminist, LGBT and Queer Approaches, Postmodern Faith, and the Emerging Church. Nonviolent Atonement.

Grabbe pays particular attention to how the history of ancient Israel can be reconstructed through the text and introduces students to the key ways of reading the books of Kings as religious and political history.
