The Encyclopedia of Social Reform William Dwight Porter Bliss,1897 **Maidens, Magic and Martyrs in Early Christianity** Jan N. Bremmer,2017-07-13 In this work Jan N Bremmer aims to bring together the worlds of early Christianity and those of ancient history and classical literature worlds that still all too rarely interlock Contextualising the life and literature of the early Christians in their Greco Roman environment he focusses on four areas A first section looks at more general aspects of early Christianity the name of the Christians their religious and social capital prophecy and the place of widows and upper class women in the Christian movement Second the chronology and place of composition of the early apocryphal Acts of the Apostles and Pseudo Clementines are newly determined by paying close attention to their doctrinal contents but also innovatively to their onomastics and social vocabulary The author also analyses the frequent use of magic in the Acts and explains the prominence of women by comparing the Acts to the Greek novel Third an investigation into the theme of the tours of hell suggests a new chronological order shows that the Christian tours were indebted to both Greek and Jewish models and illustrates that in the course of time the genre dropped a large part of its Jewish heritage The fourth and final section concentrates on the most famous and intriguing report of an ancient martyrdom the Passion of Perpetua It pays special attention to the motivation and visions of Perpetua which are analyzed not by taking recourse to modern theories such as psychoanalysis but by looking to the world in which Perpetua lived both Christian and pagan It is only by seeing the early Christians in their ancient world that we might begin to understand them and their emerging communities Publisher s description *A Dictionary of Early Christian Biography* Henry Wace,William C. Piercy,2014 Discover essential reliable information on over 800 Christian personalities groups and literature to the end of the sixth century A D in this unique concise volume It includes descriptions of the principle sects and heresies that challenged orthodox Christianity on several fronts during the early years A remarkably comprehensive work this volume evolved from the distinguished four volume Dictionary of Christian Biography and Literature For anyone serious about the early church and the people who made indelible marks in its story this is a fundamental resource Features reliable sketches of major Christian personalities of the first six centuries Describes the principle sects and heretics of early Christianity including discussions of the theological tendencies of these opponents Analyzes the documents creeds and literature of the early church and its opponents Covers more than 600 years of church history in one convenient volume Jesus and Paul in the Context of Judaism and Early Christianity Donald A. Hagner,2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul

belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament
