The Angry Christian Andrew D. Lester, 2003-04-30 In this work respected scholar Andrew Lester discusses and incorporates the newest behavioral research models contemporary biblical and theological scholarship constructivist philosophy and narrative theory into a comprehensive pastoral theology of anger In revisiting through the lens of theological anthropology the very subject that brought him to the forefront of scholarship in pastoral care Lester presents engaging new material and innovative new methods of interventions for dealing with this often confusing human emotion **A Christian Survival Guide** Ed Cyzewski, 2014-06-11 What enables some to survive as Christians when so many others falter Without resorting to empty answers cliché s relativism or smug certainty *A Christian Survival Guide* provides an accessible and safe place to deal with issues that can give Christians sleepless nights By focusing on spiritual practices discussing solutions to faith struggles and offering perspectives from multiple Christian traditions this survival guide moves readers into a thriving relationship with God even if that means not necessarily finding all the answers *A Christian Survival Guide* doesn't run away from the big tough questions of life like Does the Bible have to be true Where is God in an evil world Did God sanction genocide Is hell eternal conscious torment Does money keep us from following Jesus *Coping with Your Anger* Andrew D. Lester, 1983-01-01 Argues that Christians should not suppress their anger but learn to deal with it and examines what the scriptures say about anger *The Anatomy of Anger* Dr. Antionette D. Brookins LMFT Ph.D in Christian Psychology, 2022-08-01 From the pulpit to the parking lot anger has become a debilitating cancer to the souls of Christians A cancer that stunts the spiritual maturation and matriculation of Christians every day However the Bible still suggests that Christians possess the ability to be angry and do no harm I then propose that anger is not the problem Rather it is our learned response to anger and untreated emotions that lead to challenges in life and the sin that may follow This begs the questions what is anger what is its origin and how do we manage it Listen sisters I invite you to trek with me through this dark tunnel my thirty year journey from hurt to healing A healing found in the most unsuspecting place aEURin the perfect will of the Father So grab a pen a toasty drink your favorite notebook a box of tissues and brace yourself to laugh out loud as I share my untold story and provide you with practical yet amazingly powerful tools that I have learned along this journey to living my best life in Christ Are you ready Let aEURtm s get started **Reckoning with Aggression** Kathleen J. Greider, 1997-01-01 Aggression is ambiguous in our society according to Kathleen Greider While giving us strength to fight the world's social ills or to create vital and powerful lives aggression can also lead to rage and violence Thus society has often viewed aggression as evil or sinful Greider wants Christians to repair their view of aggression and realize that aggression is what can spur them to make the world better In exploring aggression from feminist pastoral and theological perspectives Greider examines the relationships between violence and vitality passion and aggression and finds that Christians can be strong without being destructive **College Survival Guide for Christian Women** Meredith
