Colin Russell

2014 Trig Regents Explanation:

Who Made the Scottish Enlightenment? Colin Russell, 2014-10-29 The Scottish Enlightenment is often portrayed as elitist and Edinburgh based with no universally agreed beginning or end. Additionally, the philosophers and scholars, the great Scottish Enlightenment figures, sometimes obscure significant contributions from other disciplines so that the achievements of a wider conception of the Scottish Enlightenment are not universally known. Sir Walter Scott also recognised that his nation, the peculiar features of whose manners and character are daily melting and dissolving into that of her sister and ally, had an identity crisis. Both issues are addressed in this enquiry which seeks to highlight the scale and breadth of the Scottish Enlightenment whilst posing the question as to how Scottish identity can be preserved.
