About the Warlocks MacGregor Series People know magic is fake card tricks and illusions magicians and entertainers But there is an older magick a powerful force hidden from modern eyes buried in folklore and myths remembered by the few who practice the old ways and respect the lessons of past generations The term warlock is a variation on the Old English word *waerloga* primarily used by the Scots It meant traitor monster or deceiver This fiction based family includes males and females of magick The MacGregors do not agree with how history has labeled them or other supernaturals To them warlock means magick family and immortality This series is not a portrayal of modern day witchcraft or those who hold such beliefs The MacGregors are a magickal class all their own
