dragonfly species is listed as extinct with many others currently threatened. It is now essential to increase conservation efforts towards saving these threatened species with strategies now available for doing this. Recovery of dragonfly populations goes hand in hand with improvements to both freshwater conditions and bank vegetation quality. In contrast, some other dragonfly species have benefitted greatly from human transformation of the landscape with artificial ponds, in particular increasing the population levels of many species. Alex Faraway G. F. Brynn, 2024-01-31. In this third book in the Alex FARAWAY Series, it has been 4 years since Alex Faraway blasted off from Earth to be reunited with his once missing father on Mars. Because of his past heritage with Mars, Alex has transformed into an Earthian with all the new abilities his Martian cousin possesses. The orphaned Martian Rainah Onyodee has found a new home with Alex's mom, Elizabeth, and is finishing high school in Delta Town. Old Elliot, the astronomer, has settled down with Rosie in her café where Elizabeth works and where he keeps a rooftop vigil each night, tracking the approach of Planet X, the mysterious Nethlin World, as it nears its ten thousand year encounter with Mars. But a new and more sinister entity has joined forces with the scheming Others in order to fulfill their ultimate end game: the complete destruction of the hibernating Martians still asleep in their Time Tombs under the sands of Mars, as well as the huge Mars Biosphere Dome which holds all the surviving life that once thrived on Mars long ago. And the Earth-sized Nethlin World is all but upon Mars, bringing with it shattering gravity wave-induced Mars quakes that will not only bring fresh upheaval upon that smaller planet but also cause the Great Change in its orbit, which will shift Mars back to its former closer distance around the sun. When that happens, the Martians will awaken and new life may have a chance once more. But a sinister android known as the Dark Man has stolen the all-important Map of the hidden Time Tombs of Valles Marineris, and now The Others are on the hunt. Catch up with Alex Faraway as he races to uncover the remaining mysteries of the ancient people of Mars and of his own father's murky, passed involvement with the dark forces converging upon his new Homeworld.

The exotic radiation from his symbiotic Martian made Luss weapon is transforming Alex as well and this time it will change the Earthian boy into something even stranger than before *The Legend of Kistrath* J.A.
