Life Now Jansher, 2024-07-30 The capability of today's man has become so narrow that it is painful to imagine. Today's human life is reduced to working, eating, sleeping, and reproducing. First, they placed today's man in a certain place, then gave him the wrong values: National values, patriotism, ideological values. They caught him at a certain point. They closed all avenues for him. They took away his chances. Today's man knows nothing about life. He sees nothing of creation. Today's man never knows how far the beauty of nature and divine creation is spread. He knows nothing. Because his whole life is spent fighting over things that are all lies and illusions, his life is wasted fighting and struggling with his comrades. He never gets anywhere. That is why he is in agony. Then, few people take advantage of the facilities, and the nations beat each other over the head. They are busy enjoying life and creation. The sole mission of humanity today is to provide land for certain groups to live on. Human slavery today has become so brilliant that it has almost assumed the color of sanctity and godliness. In the name of knowledge and education, he learns the art of slavery in the first half of his life, and in the second half, he does his slavery. They call it alive.
