Brady, 2025-10-17 During the antebellum period African American women were at the center of the nation's battle between slavery and liberty as the country moved closer to civil war Their resistance added momentum to the abolition movement and led to a more militant stance against slavery among both Black and White Northerners While their fight exposed the true horrors of slavery these women's stories also reveal their agency resilience and ingenuity This work highlights the lives of women who faced and fought against an institution that sanctioned both physical and sexual violence It also examines the plight of free Black women who were kidnapped and thrust into slavery and the effects of familial separation The authors explore how the actions of African American women helped fuel the expansion of the Underground Railroad influenced both state and federal policy and ultimately played a vital role in the abolition movement This book shifts the narrative of emancipation illuminating the vital contributions of African American women and positioning them at the center of the fight to end slavery **Rebellion In Missouri 1861: Nathaniel Lyon And His Army Of The West** Colonel Hans Christian Adamson, 2016-01-18 The story of General Nathaniel Lyon whom the author aptly calls a Missouri Yankee is a drama of stirring political military events breaking on the Western Border in the spring of 1861 In exactly 90 days Missouri was forever lost to the Confederacy The Lyon story is high tragedy staged at the sanguine second battle of the American Civil War Wilson's Creek Colonel Hans Christian Adamson in *Rebellion in Missouri* combines all the necessary elements in the dramatic story He expertly re-examines Lyon's generalship of the Union Army of the West He ably reflects upon the significance of the Battle of Wilson's Creek now a century later in the light of all the evidence Moreover he brings to us during the centennial year of Lyon's death a monumental biography of Lyon The others are eulogistic and written in the stilted and artificial speech of the eighteen sixties **Innocent Birds** T.
