 Supreme Ambition Ruth Marcus,2020-11-17 The Washington Post journalist and legal expert Ruth Marcus goes behind
the scenes to document the inside story of the Brett Kavanaugh confirmation battle and the Republican plot to take over the
Supreme Court thirty years in the making in this impressively reported highly insightful and rollicking good read The New
York Times Book Review In the summer of 2018 the Kavanaugh drama unfolded so fast it seemed to come out of nowhere

With the power of the MeToo movement behind her a terrified but composed Christine Blasey Ford walked into a Senate hearing room to accuse Kavanaugh of sexual assault This unleashed unprecedented fury from a Supreme Court nominee who accused Democrats of a calculated and orchestrated political hit But behind this showdown was a much bigger one The Washington Post journalist and legal expert Ruth Marcus documents the thirty year mission by conservatives to win a majority on the Supreme Court and the lifelong ambition of Brett Kavanaugh to secure his place in that victory The reporting in *Supreme Ambition* is full of revealing and weighty headlines as Marcus answers the most pressing questions surrounding this historical moment How did Kavanaugh get the nomination Was Blasey Ford s testimony credible What does his confirmation mean for the future of the court Were the Democrats outgunned from the start On the way she uncovers secret White House meetings intense lobbying efforts private confrontations on Capitol Hill and lives forever upended on both coasts This extraordinarily detailed The Washington Post page turner traces how Brett Kavanaugh deftly maneuvered to become the nominee and how he quashed resistance from Republicans and from a president reluctant to reward a George W Bush loyalist It shows a Republican party that had concluded Kavanaugh was too big to fail with senators and the FBI ignoring potentially devastating evidence against him And it paints a picture of Democratic leaders unwilling to engage in the no holds barred partisan warfare that might have defeated the nominee In the tradition of *The Brethren* and *The Power Broker* *Supreme Ambition* is the definitive account of a pivotal moment in modern history one that will shape the judicial system of America for generations to come
