Love Deception Life Animesh Pandey, 2018-02-22 As the title Love Deception Life itself

exemplifies that the entire novel deals with the philosophy of life. It can be called as an autobiographical work but at the same time it carries myriad lofty concepts. The writer throughout the novel expresses his life's experiences whether it is love, friendship, family or whatever came in his journey yet. He vividly described his childhood days, family issues, college life and of course several other incidents of his social life. Perhaps coping with the life's complexities at such a tender age compelled the writer to convert his emotions into words resulting in a beautiful piece of work. Which is why the novel depicts the reality of life, the ugly truth. Nevertheless, the ideas and support of his family, friends and of course the Almighty bestowed him to bring up the contented work. After reading the novel, a reader can find several facts of life, the realism or Pragmatism. One can relate the story to one's own life and its incidents or experiences. Simultaneously, a reader can grasp the literal truths of life. The entire novel is helpful in guiding a typical reader to be in the real world rather than in a virtual world. Furthermore, this book is a better way to lessen the stereotypes. The novel ends with an optimistic view leading the reader to an affirmative outlook. No doubt, the entire book is quite enthralling and fun to read.

A heart warming and romantic fable of a middle class Indian girl transitioning from high school to college who is drenched in social morals and taboos of our conservative society. Meet Simran Ahuja, an 18 year old pristine and virtuous beauty who believes that life gives you answers for everything you ask from it. And she got it through VISIONS. Simran is talented but dejected as she always felt that all her attempts to unravel her talents fail in the last moment. Until she meets Vikram, her boring life changes overnight. Meet Vikram Dixit. Born to a rich family, a tall and handsome young man, Vikram could make anyone fall for him. Simran was not an exception. Vikram enchants Simran with his charming ways and makes her shed all her social inhibitions. Until one day where she accidentally learns the truth. The truth that causes her to end her beautiful life. The truth that lands her into a different world. The Other Side. A world of euphoria. A world where she finds her purpose and loves herself back again with the help of Vivaan. Who is Vivaan? Is he real or just her illusion? Will she get back to where she came from or will she be stuck up in the other world? Set up in an imaginary side of the world, Sanchita's Debut book explores the dark side of relationships, the power of hope, positivity and VISIONS.
