Steal This Idea M. Perelman, 2016-09-27 This book describes how corporate powers have erected a rapacious system of intellectual property rights to confiscate the benefits of creativity in science and culture This legal system threatens to derail both economic and scientific progress while disrupting society and threatening personal freedom Perelman argues that the natural outcome of this system is a world of excessive litigation intrusive violations of privacy the destruction system of higher education interference with scientific research and a lopsided distribution of income
