The Discipleship Evangelism Course Don W. Krow,Andrew Wommack,2004 *Divinity* Paul Mukendi,2016-11-17 No book has ever attempted to deal with the subject of divinity in its entirety Here at long last is a comprehensive book dealing with divine beings in its complexity It provides the reader with accurate and insightful knowledge concerning the concept of divinity The author gives a clear explanation of the Triune nature of God God is one being manifest and existing in three distinct identities or persons which is further discussed as being comparable with the makeup of a human being God shares his divine nature with spiritual beings in the heavens with angels and on earth with humankind The divine nature of God resides in all spirits Therefore men have Gods nature in their spirits they can communicate with and receive the things of the spiritual realm Through sin humanity has lost the nature of God for all have sinned and fall short of the glory of God The purpose of the Bible is to spiritualize humankind because we have fallen short of the glory of God The broad focus of this book is to bring as many believers to a stage of maturity in the knowledge of Christ **Discipleship Evangelism Hmong** Andrew Wommack,Don Krow,2021-02-23 Hmong translation of the Discipleship Evangelism Level 1 NKJV Transforming Renewal Andy Lord,2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewal theology to develop constructive proposals for

renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world **Discipleship Evangelism** Andrew Wommack Ministries, Incorporated,1999 **Discipleship Evangelism** Andrew Wommack Ministries, Incorporated,1999
