Annoying The French Encore! Stephen Clarke, 2012-08-16 A NOTE FROM THE AUTHOR Bonjour cher reader Ever since European history began we Brits have been happily engaged in our national pastime annoying the French And the past couple of years have shown that this annoying never stops To give just three examples After a mid Atlantic collision between French and British nuclear submarines France s Minister of Defence seemed to blame the accident on shrimps When French political superstar Dominique Strauss Kahn was arrested in New York France s establishment was outraged It soon emerged that sexual harassment was regarded as a basic human right by the country s male elite This theme provided so much excellent material that I decided to include it in the plot of my soon to be published novel *The Merde Factor* And when David Cameron walked out of a Eurosummit a French politician accused him of being like a man at a wife swapping party who refuses to bring his own wife Yes a very French image and it just one of the many anti Anglais insults that came flying across the Channel You will find all this and much more in *Annoying the French Encore* Because for the French the merde never ends Yours historically Stephen Clarke Paris August 2012 Tremendously entertaining Sunday Times Relentlessly and energetically rude Mail on Sunday *The French Revolution and What Went Wrong* Stephen Clarke, 2018-05-03 An entertaining and eye opening look at the French Revolution by Stephen Clarke author of *1000 Years of Annoying the French* and *A Year in the Merde* *The French Revolution and What Went Wrong* looks back at the French Revolution and how it s surrounded in a myth In 1789 almost no one in France wanted to oust the king let alone guillotine him But things quickly escalated until there was no turning back *The French Revolution and What Went Wrong* looks at what went wrong and why France would be better off if they had kept their monarchy *How the French Won Waterloo - Or Think They Did* Stephen Clarke, 2016-06-16 Published in the 200th Anniversary year of the Battle of Waterloo a witty look at how the French still think they won by Stephen Clarke author of *1000 Years of Annoying the French* and *A Year in the Merde* Two centuries after the Battle of Waterloo the French are still in denial If Napoleon lost on 18 June 1815 and that s a big if then whoever rules the universe got it wrong As soon as the cannons stopped firing French historians began re writing history The Duke of Wellington was beaten they say and then the Prussians jumped into the boxing ring breaking all the rules of battle In essence the French cannot bear the idea that Napoleon their greatest ever national hero was in any way a loser Especially not against the traditional enemy e les Anglais Stephen Clarke has studied the French version of Waterloo as told by battle veterans novelists historians e right up to today s politicians and he has uncovered a story of pain patriotism and sheer perversion
