Iyer,2021-07-09 This book is a collection of fifteen contributions that undertake a detailed analysis of seven broad dimensions of India s economy and society All the contributions approach the problems in their respective areas empirically while being theoretically informed The book begins with a section containing detailed and empirically supported chapters on the recent crisis in India s agricultural sector and the reforms in the agricultural markets Another section is dedicated to the issue of infrastructure financing and new ways of financing large infrastructural projects are critically examined Other sections are related to innovations and technology impacts on industry international trade health and education labor and employment and the very important issue of gender The selected discussion topics are both of contemporary importance and expected to remain so for some time Most of the chapters introduce readers to data in addition to methods of analyzing this data to arrive at policy oriented conclusions The rich collection carries learnings for researchers working on a wide range of topics related to development studies as well as for policymakers and corporate watchers War on Family Property Rights Ingyu Oh,Chris Rowley,Yong Wook

Jun,2022-12-26 As of 2020 South Korea has 14 firms listed on the global Fortune 500 including Samsung Hyundai SK POSCO and LG The country along with Japan is also one of the only two countries in Asia that are members of the OECD and its Development Assistance Committee DAC simultaneously Furthermore Korea boasts of its membership in the seven country 50 30 Club countries with a population of more than 50 million and a GDP of 30 000 per capita However unlike its official status as one of the most developed economies in the world it still suffers from the backward struggle between the state and the family firms over the issue of property rights and family successions The corporate governance issue has damaged the reputation of Korean chaebols family conglomerates for many decades as founders and their families had been imprisoned and or fined for violating inheritance tax laws and related laws associated with the issue of protecting their family ties The democratically elected governments in Korea since 1987 have tried to reform the chaebol governance structures to ease asset concentration by family members although many of those have failed due to corruptive practices between the state and the chaebol This book spells out the current governance problems within the chaebol state reform policies and both success and failures of the reforms It was originally published as a special issue of the Asia Pacific Business Review **Managerial Accounting for Strategic Decision Making, Preliminary Edition** Charles E. Davis,Elizabeth B. Davis,2010-10-18 Business professionals that need to gain a stronger understanding of key accounting concepts will appreciate this book s approach It focuses on the core concepts framed within the context of one company C C Sports and its supply chain Through this example they ll learn fundamentals of how a business operates along with the type of decisions that managers must make on a daily basis Focus On mini chapters incorporate streamlined complete coverage of certain topics Reinforcing examples and exercises are also included to enable business professionals to assess their level of understanding before progressing to more advanced discussions *Fundamental Accounting Principles* WILD,2017-09-11 *Fundamental Accounting Principles* **Trust and Brand Management** Hanna Górska-Warsewicz,2024-12-23 Trust and Brand Management covers the main topics of heritage based corporate brand management and its relationship to external factors and performance The benefits for readers of this book lie in several aspects knowledge of corporate brand management brand heritage and related concepts theoretical and practical foundations of brand management and brand heritage and empirically supported research on the relationship among brand heritage brand management practices antecedents and outcomes of heritage based corporate brand management This book consists of two parts The first part provides a literature review and theoretical and practical background on brand heritage its antecedents and outcomes brand management approaches and heritage based corporate brand management The second part presents the results of an empirical study as structural equation modeling to establish the relationship among brand heritage corporate brand management practices antecedents brand history culture identity and authenticity and outcomes of heritage based corporate brand management brand trust brand equity and performance In addition the book includes 31 case studies of well known heritage brands

presenting their history marketing communications development and positioning strategies The benefit for managers is the presentation of terms and specific tools related to corporate brand management in the market and customer outcomes

The Korean Automotive Industry, Volume 1 A. J. Jacobs, 2021-12-10 In 1962 South Korea assembled just 1 100 new automobiles By 1996 this total had soared to 2 812 714 What explains this remarkable growth The answer is complex and involves a combination of a supportive State timely technology alliances a skilled but historically low paid workforce aggressive pricing savvy entrepreneurs and fortuitous circumstances Despite this amazing ascent comparatively little has been written about the Korean auto industry in English In the first of a two volume set this 11 chapter book seeks to help fill this void by providing in depth examinations of all six of Korea s automakers from their beginnings through 1996 Uniquely written from the perspective of industry analysts at the time without knowledge of the Asian Fiscal Crisis the book should prove informative to practitioners scholars and students interested in automotive history international political economy Asian studies and more

Law of One Price Vinodh Madhavan, Partha Ray, 2023-03-16 Law of one price continues to be a central tenet of Financial Economics This book is devoted towards examining law of one price in the context of dually listed shares of Indian companies Put simply this book delves on the relationship between the prices of domestic shares issued by Indian companies and the prices of foreign shares issued by the same companies It also examines the evolving uncertainty in relationships between such dually listed shares issued by Indian companies It draws upon the insights that we garnered over the years while working on technical papers in this area The book thus undertakes concerted efforts to present facts in a manner that sensitise and meaningfully inform readers of the prevalent breadth and depth of dual listing cross listing landscape globally and more so locally India

International Business Simon Collinson, Rajneesh Narula, Amir Qamar, Alan M. Rugman, 2020 Revised edition of International business 2017

Intermediate Accounting Donald E. Kieso, Jerry J. Weygandt, Terry D. Warfield, 2010-10-04 Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets accountants must gain a strong understanding of these standards Intermediate Accounting integrates this new information throughout the chapters so they ll learn how to apply the new global accounting standards Global examples are presented to clearly show how the information is utilized in the field The use of various currencies is also explored which is critical for accountants to know in today s global businesses environment
