Kids Songs Caleb Asamoah, 2013-12-18 A Christian lyrical book with more than 120 songs to aid instructors and teachers of various classes of children the compilation will aid in easy learning of various children songs and choruses **The Teaching of Christ in The Sermon on The Mount** Dr. Gary Staats, The Unlimited Resurrection Veronica Johnson, VERONICA T. JOHNSON, 2016-09-07 This book is about Eternal Life living healthier and making changes It is coming from an author who has experienced bad health In 2013 I nearly lost my life to cancer and other diseases During this time I felt a lot of emotions and had a lot of concerns The feelings were about death and eternal life and the concerns were how to expand my life expectancy When your health is deteriorating you don't feel worthy and everything around you crumbles You are in severe pain you cannot sleep due to the pain and you complain a lot You buy various foods objects or things that will make you forget the pain and you consume a lot of wasteful material that goes into landfills The bible teaches there is only one way to be resurrected and that is through the Messiah but there are multiple ways One great aspect of life that requires the body to function better is eating healthier and it can restore the body to its original state However eating healthier is an entire lifestyle goal that has to manifest to achieve lasting results My goal is to help bring nations together by changing the way we think about a resurrection Having said that resurrection isn't just for biblical terms anymore since government agencies are recommending people remain on their deathbeds to continue receiving assistance Which is to say keep the cancers and diseases and you get to keep your benefits from these government programs Nowadays people fully believe corruption starts with government offices or law enforcement agencies But corruption doesn't start with a building it starts with the human body Life expectancy has been diminishing over time the result is a lack of belief in life itself Which affects the environment and our human bodies This book discusses what people can do to restore the purification form of resurrection to live a better quality of life And it is possible to reduce emissions in the air If everyday people can help it can be reduced by 99% and it too can help human health The government may reduce climate change in various ways but none can replace existing tools *From Pulpit to Pagan* Dhungarvn the Grey, 2008-09 After teaching and ministering twenty two years as a Christian pastor and evangelist author Dhungarvn the Grey became disillusioned with the self righteous membership and church politics He left the ministry and began searching for the truth In his re evaluation of his concept of God and prayer he reconnected with nature and the idea of nature based spirituality His soul stirred with a yearning toward paganism *From Pulpit to Pagan* is the story of Dhungarvn the Grey's journey from Christianity to paganism and his quest for truth Horus Mithra Krishna and Jesus all told their followers You will know the truth and the truth will set you free The truth about Christianity frees the pagan of the guilt trips inflicted by well meaning family members It frees them from the tendency to credit Christianity the Bible and Jesus with more truth than is valid It frees them from the missionary traps and ignorant attacks by evangelicals Dhungarvn suspects that many in the pagan community are programmed by their family experience

and Christian upbringing they hold onto the Bible and Jesus out of unconscious fear and guilt From Pulpit to Pagan details
