wanted After all he managed to get elected into office for both terms Probably the biggest crisis of Jackson s presidency started when South Carolina announced that they opposed the tariffs leveled in 1828 and 1832 by Jackson supporters Nullifiers thought that a state could nullify a federal law within its own borders if it so desired When South Carolina led by John C Calhoun announced its intention to nullify the tariffs in the fall of 1832 it touched off what almost developed into a civil war as Jackson massed military resources on the state s borders Finally resolved in the spring of 1833 when South Carolina agreed to a new more fair tariff passed by Congress And so President Jackson has his way **AP U.S. History**
