Lyons, Jeffrey Lyons, 2011-06-07 Most people remember me for two events both of which tested my faith in different ways I controlled o the other I did not I was in control of the home run I hit in the 1996 World Series against the Atlanta Braves which turned the Series around for the New York Yankees and eventually led them to their first world championship in eighteen years I was not in control of the 2007 car accident in which I was involved that resulted in the tragic loss of a woman s life I decided that I would not let my life be defined by either of these moments This is my story So begins Jim Leyritz s dramatic tale *Catching*

Heat a thrilling spectacle of professional and personal highs and lows that take fans behind the scenes of life on the road in the locker room and ultimately to the defendant's seat in a courtroom From a struggling player fumbling through the Minors and finding resilience during disappointing trades to speaking his truth when others wouldn't Leyritz evolved into the epitome of a clutch player when it came to leading teams to victories when it really counted Well beyond a successful sporting career saga Jim's story is an inspiring example for anyone who wants to pursue a dream or learn life's lessons both hard and hallowed from a man who knows what it is like to live his

MCLELLAN,2015-06-26 Ive Known No War details the lifelong friendship of two native Texans who share a love of baseball and both have amazing futures ahead of them Stephen McClanahan or Stevie Mac to his friends was academically at the head of his class and had plans to attend the Ivy League School of his choice His best friend Theodore Teddy Smith more affectionately known as Smitty had been born with a natural gift to crush a baseball Smitty was in all likelihood headed on the fast track to the major leagues and was most certainly slated to be a high draft pick in the June 2002 Major League Draft The pair were having the time of their young lives as their senior year began in August 2001 and everything was perfect Everything was perfect until the day it wasnt September 11 2001 forced most people to reevaluate things including a seventeen year old in Harbor Lake Texas with an Ivy League rsum Perhaps his elite education could wait His father J P McClanahan had served in the Marine Corps and had considered it an honor to wear USMC on his left breast pocket Stevie had made his decision he was going to enlist in a time when no draft existed and less than 1 percent of the US population was serving in a 100 percent volunteer force Surely everyone would think he was nuts most especially his old friend Teddy Initially Teddy would attempt to talk some sense into his academically gifted friend yet something was nagging at Smitty

himself Perhaps major league baseball could wait too This is the story of unselfishness courage loyalty and above all friendship Dreams can be put on hold dreams can be shattered and dreams can be forced to be reevaluated This story is a reminder that someone must always be willing to go into harms way and it cant always be someone elses kid
