This Book Is for You Tricia Lott Williford, 2021-08 This is a book about falling in love with the Bible that feels nothing like reading a book about the Bible This Book Is for You will help you learn that the Bible has something life changing to say about who you are where you are and the God who is in the midst of it When you finish this book you just might say I see what she did here I didn't realize it but I was learning while I was laughing She invited me into a dialogue about things I didn't know I wanted to learn She stirred within me a love for the Bible but it didn't hurt at all This Book Is for You invites you into the author's life using stories humor and charm revealing how the Bible has become Tricia Lott Williford's daily lifeline Regardless of your notions of the Bible Tricia will help you engage with it as a living meets me where I'm at thing Tricia is not a seminarian She is a lover of God's Word She is not a highbrow academician She is educated as a grade school teacher who sometimes uses comic relief to make her point She is not a theologian a Bible teacher or even a Bible scholar Tricia is a lover of messy people a mom of two teenage boys who are likely late for school and wearing mismatched socks She has been known to absent mindedly doodle in the margins of overdue library books She has battled depression and anxiety to degrees that have nearly drowned her She has begged the Lord for miracles that only He could provide And somewhere in the midst of all that she fell hopelessly in love with the Word of God as a light to her next step and the air for her next breath Now Tricia wants you to experience this too **Whitaker's Cumulative Book List**, 1984
