Countdown to Apocalypse! David Netherton, 2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist God s will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14 **Outer Space, Aliens, and the Holy Bible** Paul Theriault, 2010-03-23 As time goes on man still

has the same unanswered questions regarding the unknown phenomenon that's infected our planet. Without expectation the unknown has appeared and disappeared without a clue as to what they are, who they are, and why they are here. We know there is an outer space beyond Earth which contains an endless mass of stars, planets, asteroids, and moons. We call it the cosmos, which refers to everything in space, including Earth. Is there anyone or anything out there besides us? Aliens in the Household of God Paul Germond, Steve De Gruchy, 1997. This groundbreaking volume explores and challenges the prejudice and discrimination that gay people experience within South African churches. Drawing from a broad and diverse base, these stories and essays suggest that heterosexism is the problem.

Ufo'S (The Reality) William Calderwood, 2015-04-10. The subject of UFOs, I believe, is one of the most important subjects there is because of its implications. If an alien craft under intelligent control can shut down our nuclear missile systems, which is a national security issue, it has to be an important subject. My interest began while in the service on a destroyer off the Korean coast when I heard that in the fall of 1951 a UFO was observed circling the task force and was picked up on 14 radars in the task force that began my interest in UFOs and have remained with me ever since. After returning from the service, I later had the opportunity to work for Boeing Aerospace on the Saturn V moon rocket, worked at Michoud, LA, 15 miles out of New Orleans. Had a classified clearance while working there. One night while lounging by the pool, I was looking for the trail of a satellite going overhead when I noticed one of the stars by the big dipper started to move; it traveled from the right side of the dipper to about the same distance on the left side and stopped. After about two minutes it slowly faded away. Knowing about space and that an object must travel at 17,000 miles an hour to remain in space or gravity would pull it down to earth, it had to be a UFO. After two and a half years at Michoud, Boeing opened a new branch at Cape Kennedy, Florida, and I put in for a transfer; there was accepted and worked in system interface control, received a secret clearance while at the cape. During the time I sat in on two lectures of UFOs, the first was by Maj Keyhoe at the Marriott hotel in Coco Beach; there was standing room only and he waved some documents and said UFOs were nuts, bolts, machines, and were real objects. The other lecture was at Patrick AFB next to where I lived at Satellite Beach. The first half of his presentation was a slide show showing the most ridiculous UFOs imaginable; an Air Force presentation. The last half was his own personal experience when flying a cargo plane from a southern state to Washington D.C. A bright yellow UFO came, his plane followed him all the way to Washington D.C. After I left Boeing and came back home, I turned on the TV to watch a new series called Project Blue Book, and it was directed by retired Col. Coleman. Once hooked, the subject stays with you for life.

Satanic Ritual Abuse Colin A. Ross, 1995-01-01. Although Dr. Ross has found no evidence of a widespread Satanic network, he is open to the possibility that a certain percentage of his patients' memories may be entirely or partially historically accurate. In treatment, he recommends that the therapist adopt an attitude hovering between disbelief and credulous entrapment.
