Text-Dependent Questions, Grades 6-12 Douglas Fisher, Nancy Frey, Heather Anderson, Marisol Thayre, 2014-09-02
Fisher Frey's answer to close and critical reading. Learn the best ways to use text-dependent questions as scaffolds during close reading and the big understandings they yield. But that's just for starters. Fisher and Frey also include illustrative video texts and questions, cross-curricular examples, and an online facilitator's guide, making the two volumes of TDQ a potent professional development tool across all of K-12. The genius of TDQ is the way Fisher and Frey break down the process into four cognitive pathways: What does the text say? How does the text work? What does the text mean? What does the text inspire you to do?

Literacy in the Disciplines Thomas DeVere Wolsey, Diane Lapp, 2024-09-12

User-friendly features include classroom materials, lesson plans, practice activities, and recommended online teaching videos.

Writing with Confidence Alan Meyers, 2002-07
Writing with Confidence, a value-priced developmental writing worktext, provides essential instruction and practice in basic writing skills at the sentence and paragraph level. The first developmental text to incorporate high-interest, connected discourse subject matter in its exercises, Writing with Confidence retains and expands on this feature. Most chapters pursue a theme throughout the exercises: the dreams and premonitions surrounding the death of Abraham Lincoln; animal facts and oddities; the gustatory achievements of Diamond Jim Brady; the world's greatest eater; the voyage of the Kon Tiki; and so on. The text's six-unit structure includes 30 short chapters on the writing process, paragraph organization and development, the shape of the essay, all the rhetorical modes, and all the sentence skills. The writing chapters are fully process-

oriented showing the development of a paragraph in six steps from planning and outlining through drafting revising editing and proofreading Optional collaborative activities are provided in the margins of each chapter This focus on writing is balanced with equal attention to sentence skills not only for native speakers of English who need help but for non English dominant speakers as well ESL boxes provide help for students whose first language is not English as do the two final chapters of the book which address troublesome matters such as verb phrases word order articles and prepositions The reading writing connection throughout the book has been expanded with sixteen additional readings in the last unit of the book including several written by students And the popular Blueprints for Writing found in the rhetorical chapters have been carried into unit ending Blueprints for Success in which the most important concepts and practices are summarized in graphs and charts
