"Anne Frank Remembered" (1995) is a documentary film directed by Jon Blair. The film provides a poignant and intimate account of Anne Frank's life, focusing on her experiences during the Holocaust as documented in her diary. Through interviews with Anne's surviving friends, family, and those who helped hide her, as well as historical footage and photographs, the film paints a vivid picture of Anne's life, her time in hiding, and the impact of her words on the world. It serves as a powerful tribute to Anne Frank's legacy and a reminder of the human cost of prejudice and intolerance during one of the darkest periods in history.
