Stage Two **Extending Literacy** Maureen Lewis, David Wray, 2005-06-21 One of the most problematic areas in the teaching and development of literacy appears to concern children's interactions with non-fiction books. Many surveys and reports have commented on the tendency for children to do little more than copy out sections of non-fiction texts. The Exeter Extending Literacy EXEL project was set up with the aim of exploring ways in which non-fiction might be used more effectively and profitably than this. In this book David Wray and Maureen Lewis outline the thinking behind the project and describe in detail the many useful teaching strategies and approaches which were developed in collaboration with primary teachers across the country. Teachers of children from five to fourteen will find this book both a stimulating account of a very influential development project and a useful source of practical teaching ideas. *Linguistics and Language Behavior Abstracts*, 2007-04 New KS2 English Targeted Question Book: Year 6 Comprehension - CGP Books, 2016-10-25 *Bond 11+: Bond 11+ Mixed Standard Test Papers: Pack 1: Ready for the 2024 exam* Various, 2022-01-27 Bond 11 Mixed Standard Test Papers are realistic 11 timed test papers with full answers included.
