

United States Government

UNIT 1: Introduction to the American Government

What is the purpose of the American government? What are the powers of the federal government? What are the powers of the state government? What are the powers of the local government? What are the powers of the judicial branch? What are the powers of the executive branch? What are the powers of the legislative branch? What are the powers of the federal reserve? What are the powers of the federal reserve?

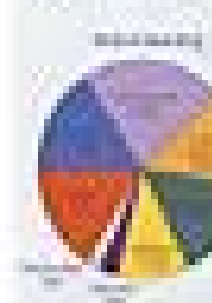

The purpose of the American government is to protect the rights of its citizens and to provide for the common good. The powers of the federal government are divided into three branches: the executive branch, the legislative branch, and the judicial branch. The powers of the state government are divided into three branches: the executive branch, the legislative branch, and the judicial branch. The powers of the local government are divided into three branches: the executive branch, the legislative branch, and the judicial branch. The powers of the judicial branch are to interpret the laws and to ensure that they are applied fairly. The powers of the executive branch are to enforce the laws and to manage the day-to-day operations of the government. The powers of the legislative branch are to make the laws and to oversee the actions of the executive branch.
