Ultimate Rotisserie Cookbook Diane Phillips, 2002-09-05 We've all seen them in grocery stores and restaurants: delectably juicy, evenly browned, picture perfect rotisserie chickens. Do you think they look unattainable, like something that can only be bought in a store and never replicated at home? In truth, it's as easy as can be with a rotisserie oven. A small rotisserie oven that fits right on your kitchen counter will effortlessly transform a humble chicken and so much more into a gloriously crispy, moist and delicious family dinner in about an hour while you are busy doing other things or maybe even finding time to relax. The rotisserie is one of the most recent additions to the kitchen appliance repertoire. What you may not realize is that it's also one of the most versatile and user friendly. It can cook everything from meat and poultry to vegetable side dishes and desserts; it works without heating up the rest of the kitchen like an oven; it's compact enough to occupy only a small amount of valuable counter space; plus it's easy to clean. In *The Ultimate Rotisserie Cookbook*, Diane Phillips creatively takes the rotisserie oven well beyond chicken to every kind of food and every course of the meal. Go on, give it a whirl with recipes such as Calypso Jerk Chicken, Kabobs, Roasted Garlic Prime Rib Roast, Plum Crazy Pork Chops or Roasted Salmon with Mustard Chive Butter. Since the rotisserie bastes food in its own juices and allows excess fat to drain away, everything cooks up lighter and healthier than the same food that is cooked in the traditional oven or stovetop manner. For easy, no-fuss hors d'oeuvres or side dishes, try Blue Bayou Stuffed Mushrooms.

Sugar Cane Shrimp No Fry Pommes Frites or Pesto Grilled Eggplant With an extensive chapter of marinades sauces and rubs to spice things up or cool them down how about Southwestern Fiesta Rib Sauce or Cucumber Mint Salsa and one on desserts to sweeten the deal ever thought of making Rotisserie Caramel Apples or Fire Roasted Pineapple with Macadamia Caramel Sauce your possibilities are limitless The Ultimate Rotisserie Cookbook is simply the be all and end all book for the rotisserie oven with 300 recipes for every possible way you could think of to use this amazing machine *Southern California Cooking from the Cottage* Jane Stern, Michael Stern, 2004-09-06 Recipes and photos from the beloved restaurant Perhaps America's foremost experts on regional food San Diego Magazine Southern California Cooking from The Cottage captures the romance the relaxation and the good life of one of Southern California's most beloved restaurants Included are the recipes that have made The Cottage a favorite for decades with breakfast items such as muffins coffee cakes Greek Italian and seafood omelets Belgian waffles and oatmeal pancakes From the lunch and dinner menu there are light Southern California seafood and pasta dishes signature soups and salads as well as traditional American classics With color photos included you can recreate this delicious dining experience on your own patio on a sunny summer day or wherever and whenever you feel like it Southern California Cooking from the Cottage is part of Jane and Michael Stern's Roadfood cookbook series which celebrates the finest regional restaurants in the United States
