Craig Fisher, Ph.D.,2014-05 Did you ever wonder why your golf scores never improve much even after many years of experience And did you know putting contributes about 40% to your total score making putting the single most important part of your golf game Do you want to improve Then this book is a MUST read Golfers need to understand and come to grips with the harsh realities putting places on them as well as the many factors that impact putting success many more mental than physical therefore this book leaves the fundamentals of putting stroke to others To assist golfers or golfer wannabes the author utilizes his 30 years experience in sport performance enhancement and 60 years of playing golf to provide a framework that will lead to increased putting performance IF you will follow some of book s suggestions The book is written in a conversational style with the intent of having the reader interact with material presented responding to questions agreeing or disagreeing with a certain perspective and perhaps searching your conscience for the why s and why not s Innumerable drills and strategies are offered both to improve the physical and mental sides of the golf game Insights into how and what to practice based on proven approaches are emphasized to counter the haphazard way most golfers typically practice Putting really is a head game I certainly enjoyed reading your book You have brought every act of putting to the surface FINALLY a putting book that doesn t talk about the stroke the whole time I truly believe the best formula for making putts is to roll the ball on the correct line at the correct speed Of the two elements speed is the most important The other tangibles that go with it are to read greens correctly and to have confidence in your stroke and read You seem to have touched on each one of the topics in depth The object of putting is to putt the ball in the hole NOT to move the putter in a certain direction or a certain way The added humor was a nice touch Good luck with the publishing of the book and sign me up for a finished copy Nice job Michael B Krick Head Golf Professional Carolina Trace Country Club Sanford North Carolina *The Putting Prescription* Dr. Craig L.
