Congress. Senate. Committee on Armed Services, 2012 Isolationism Charles Kupchan, 2020 This is the first book to examine the full arc of American isolationism from the founding era through the Trump presidency Charles Kupchan tells the fascinating story of why isolationism dominated US statecraft for so long uncovers isolationism's enduring connection to American exceptionalism and explains why an aversion to foreign entanglement is making a comeback This fresh account of American history sheds revealing light on not only the nation's past but also where US grand strategy is headed and how the

nation can find the middle ground between isolationism and strategic overreach **Risk and Presidential**

Decision-making Luca Trenta, 2016-05-20 This book aims at gauging whether the nature of US foreign policy decision making has changed after the Cold War as radically as a large body of literature seems to suggest and develops a new framework to interpret presidential decision making in foreign policy It locates the study of risk in US foreign policy in a wider intellectual landscape that draws on contemporary debates in historiography international relations and Presidential studies Based on developments in the health and environment literature the book identifies the President as the ultimate risk manager demonstrating how a President is called to perform a delicate balancing act between risks on the domestic political side and risks on the strategic international side Every decision represents a risk vs risk trade off in which the management of one target risk leads to the development countervailing risks The book applies this framework to the study three major crises in US foreign policy the Cuban Missile Crisis the seizure of the US Embassy in Tehran in 1979 and the massacre at Srebrenica in 1995 Each case study results from substantial archival research and over twenty interviews with policymakers and academics including former President Jimmy Carter and former Senator Bob Dole This book is ideal for postgraduate researchers and academics in US foreign policy foreign policy decision making and the US Presidency as well as Departments and Institutes dealing with the study of risk in the social sciences The case studies will also be of great use to undergraduate students
