

Short Answer Questions

Question 1

Organizations pursuing change take the business environment into account as they seek to achieve effective business performance. But is that alone all that matters in an organization's changing future?

- a. It is because organizations are important stakeholders. Success is often not enough, and not what they say the business needs to successfully implement its strategy. Success is also about the ability to change and adapt, and about the organization's ability to change.
- b. It is because the organization is a business. Success is not enough, and not what they say the business needs to successfully implement its strategy. Success is also about the ability to change and adapt, and about the organization's ability to change.
- c. The business organization is a business. Success is not enough, and not what they say the business needs to successfully implement its strategy. Success is also about the ability to change and adapt, and about the organization's ability to change.
