Never Lose Your Nerve! Alan J. Heeger, 2015-10-09 Never Lose Your Nerve chronicles the ups and downs of a Nobel Laureate's life Professor Alan J Heeger was awarded the Nobel Prize in Chemistry in 2000 together with Professor Alan G MacDiarmid and Professor Hideki Shirakawa Filled with humor this book tells Professor Heeger's story his love for his family especially how his wife's love has always been his guiding light his progress from a young student to an eminent scientist his passion for the theatre and its impact on his science his adventures as a successful entrepreneur and his personal losses Many think of scientists as
