Alice Clayton Rusty Nailed:

Rusty Nailed Alice Clayton, 2014-06-24 In this sequel to Wallbanger fan favorites Caroline Reynolds and Simon Parker negotiate the roller coaster of their new relationship while house sitting in Sausalito. Playing house was never so much fun or so confusing. With her boss on an extended honeymoon, Caroline's working crazy long hours to keep the interior design company running, especially since she's also the lead designer for the renovation of a gorgeous old hotel. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into absence makes the heart grow fonder mode. No complaints about the great reunion sex though. Then a trip back east to his childhood home has Simon questioning his nomadic lifestyle. He decides to be home more. A lot more. And he wants Caroline home more too. Though their friends' romantic lives provide plenty of welcome distraction, eventually Caroline and Simon have to sort out their relationship. Sure, more togetherness is a good thing, but does less traveling and working have to mean the other extreme: Apple pie and picket fences. With this second book in the Cocktail series, USA TODAY bestselling author Alice Clayton delivers another delicious, frothy confection of a book shaking up her characters' stirring in laugh-out-loud humor and serving sizzling romance straight up.

The Cocktail Collection Alice Clayton, 2016-11-28 New York Times bestselling author Alice Clayton delights readers with the sexy, laugh-out-loud romances in the beloved Cocktail series. Don't miss three hot and hilarious tales in the Cocktail Collection. In Wallbanger, Caroline didn't hear things go bump in the night; she heard things go thump in the night. And it was always her neighbor's headboard. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and suddenly Caroline is finding she may have discovered a whole new definition of neighborly. In Rusty Nailed, Simon and Caroline find that playing house was never so much fun or so confusing. With her boss on an extended honeymoon, Caroline's working long hours to keep the interior design company running and her projects on deadline. And with Simon, her hotshot photographer boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into absence makes the heart grow fonder mode. No complaints about the great reunion sex though. But between Caroline's crazy work schedule, Simon's traveling, and house sitting for their friends, will they be able to make their relationship a priority? Screwdrivered brings us Viv Franklin, a tough-as-nails software engineer who designs programs and loves hospital corners and also wants to be swept off her feet by her dream guy. So when a phone call with news of an inherited house brings her out to Mendocino, California, she suddenly finds her knight in shining armor selection growing. There's a cowboy one that ignites her loins. Because Cowboy Hank is totally loin-ignition worthy. But there's also a librarian, Clark Barrow. And he calls her Vivian. Can tweed jackets and elbow patches compete with chaps and spurs? You bet your sweet cow pie. It's like being forced to pick between Superman and Clark Kent. Really, how's a girl to choose?
