Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation *Wisdom of a Lifetime* Joseph Assante, 2003-03-28 Joe

Assante originally wrote this book with his children in mind He pictured a young man in the Hospital on his deathbed A horrified look on his face from the realization of all the things he will never get to tell his family The young man wished he could write down his thoughts and review them so they contained all the wisdom he could pass along to his family if he were given a second chance So that's what Joe did *Raising Sexually Intelligent Kids* Anisa Varasteh, 2023-12-01 Many parents feel uncomfortable with the thought of having the talk with their children especially teenagers But what many people don't realise is how much of sexuality education has nothing to do with sex itself In this book Clinical Sexologist Anisa Varasteh teaches the foundations of a comprehensive sexuality education for children and teenagers and answers the most common questions young people have about sex and sexuality Contrary to popular belief talking about sex and sexuality does not make young people more prone to sexual experimentation This book provides research based evidence for how a comprehensive sexuality education is important for children's safety psychological and physical wellbeing It identifies the barriers to having open conversations with children and teenagers and outlines methods for how to overcome them With a focus on skills the book addresses the building blocks of sexuality education and how to develop an environment of mutual trust it outlines key topics for discussion and the skills that children need to develop to make healthy decisions about their sexuality Complete with practical support including over 20 worksheets and a comprehensive list of tough questions from teenagers and suggestions for how to address them this book is an essential resource for parents carers and educators who are responsible for the health safety and development of children and teenagers Hot Topics for Couples Steve Chapman, Annie Chapman, 2010-03-01 Believing young love is great and real love improves with age Steve and Annie Chapman offer proven insights for creating loving lasting marriages What sparked *Hot Topics for Couples* Annie asked Steve if meat loaf a staple was okay for dinner Steve replied I don't like it Amazed Annie asked why he'd never mentioned this You never asked So they decided to eliminate any areas of discomfort Using their 35 year marriage discussions with couples and biblical wisdom the Chapmans address wildfires such as he won't talk she won't stop talking he doesn't do housework she's never in the mood he is the fun parent she has to discipline the children he said he'd do it someday she never relaxes he says Dallas Cowboys game she says Butchart Gardens Using the interactive questions couples can make their marriages more fulfilling and exciting *Rerelease of What Husbands and Wives Aren't Telling Each Other* *Writing the Four-Blocks® Way, Grades K - 6* Cunningham, Hall, Moore, 2008-08-26 *Write on Writing the Four Blocks R Way* gives teachers of grades K 6 a glimpse into writing classrooms throughout the school year This resource includes ideas for setting up a writing classroom motivating students to write and keep writing teaching reading through writing supporting struggling writers and teaching different genres This 240 page book supports the Four Blocks R Literacy Model and features lessons on editing revising sharing and publishing
