Talk to Me! Listen to Me! Carol McCormick,2014-11-12 When thoughts and feelings are expressed during deep levels of communication true intimacy is established and attachments are formed that are virtually unbreakable Today we see more and more people interacting electronically rather than enjoying face to face or side by side conversations As a result rather than feeling more connected people often feel more disconnected than ever Talk to Me Listen To Me is as a tool to help turn things around Although this book is a short read it may take days to weeks to possibly months to implement since the latter questions take time to emerge

develop and unfold The more thought provoking questions may also run into chats that last for hours either because of the time it takes to reveal the answer or because the answer may lead to even more questions and deeper discussions The questions can be chosen cafeteria style from the light and fun to the more weighty and serious They can be used during one on one situations or in groups such as classroom settings college dorms orientations sorority and fraternity interviews and even in corporate team building meetings They may also be used as a quiz type game or as an icebreaker at parties or as a get to know you handbook while dating or making new friends All 150 questions can be worked through over time with a companion a relative or a spouse to deepen existing relationships A couple may also choose a few of the more provocative questions to answer while on a weekend retreat Communication to a relationship is like oxygen to life Without it it dies Unknown For more information visit www.carolmccormick.com **Entrepreneurship** Robert D.
