Kane,2017-07-05 The 3rd Edition of Literacy Learning in the Content Areas helps readers build the knowledge motivation
tools and confidence they need as they integrate literacy into their middle and high school content area classrooms Its unique
approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and
the very activities that they will use to teach literacy to their own students in middle and high school classrooms Rather than
passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such
techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection Readers also
learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content
communities and websites into their classrooms Each chapter offers concrete teaching examples and practical suggestions to
help make literacy relevant to students content area learning Author Sharon Kane demonstrates how relevant reading
