Future Flooding and Coastal Erosion Risks Colin R Thorne, Edward Evans, E. Penning-Rowsell, 2007-01-10 Over 200 billion worth of assets are at risk around British rivers and coasts and those risks are likely to increase over the next 100 years due to changes in climate and in society Sir David King Government Chief Scientific Adviser This book presents a comprehensive insight into the flooding system spanning multiple disciplines across different sectors of the flood and flood management professions It forecasts the manner in which flooding and coastal erosion risks may increase during the 21st century due to climate change

Facilities Management and Corporate Real Estate Management as Value Drivers Per Anker Jensen, Theo van der Voordt, 2016-10-04 Facilities Management FM and Corporate Real Estate Management CREM are two closely related and relatively new management disciplines with developing international professions and increasing academic attention Both disciplines have from the outset a strong focus on controlling and reducing cost for real estate facilities and related services In recent years there has been a change towards putting more focus on how FM CREM can add value to the organisation This book is driven by the need to develop a widely accepted and easily applicable conceptual framework of adding value by FM and CREM It presents the state of the art of theoretical knowledge and empirical evidence about the impact of buildings and facilities on 12 value parameters and how to manage and measure these values The findings are connected to a new Value Adding Management model The book is research based with a focus on guidance to practice It offers a transdisciplinary approach integrating academic knowledge from a variety of different fields with practical experience It also

includes 12 interviews with practitioners shedding light as to how they manage adding value in practice This is a much needed resource for practitioners researchers and teachers from the field of FM and CREM as well as students at both undergraduate and postgraduate level

Corporate Real Estate Asset Management Barry Haynes,Nick Nunnington,Timothy Eccles,2017-04-28 The second edition of Corporate Real Estate Asset Management is fully up to date with the latest thought and practice on successful and efficient use of corporate office space Written from an occupier s perspective the book presents a ten point CREAM model that offers advice on issues such as sustainability workplace productivity real estate performance measurement change management and customer focus In addition new case studies provide real life examples of how corporations in the UK USA Hong Kong and Abu Dhabi actively manage their corporate real estate The book is aimed at advanced undergraduate and graduate students on corporate real estate facilities management and real estate courses and international MBA programmes

Aligning Strategy and Sales Frank V. Cespedes,2014 Most firms face a wide gap between their strategic goals and their sales and other go to market efforts Aligning these activities is or should be an important component of competitive advantage for entrepreneurs and established companies Yet for most it isn t This book is about aligning strategy and go to market efforts It starts by explaining why many sales problems in companies are really strategic alignment issues It helps managers understand and diagnose both the overt and hidden costs of not aligning strategic goals with sales initiatives and why getting better at selling typically requires more than a motivational speech sales force reorganization new incentives or a good training seminar It outlines a process for articulating strategy in ways that people in the field can understand and in ways that help strategy formulators understand the required sales tasks inherent in strategic plans for the enterprise Given a coherent strategy the book provides a framework for analyzing and managing the core levers available to firms when they seek to align selling behaviors with sales tasks and examines each lever Readers will learn how to synchronize strategy and sales activities across the organization and get value from improving their firm s performance in the following areas How to move from a strategic vision to an integrated selling plan How to build a sales organization to match strategy How to create and maintain the optimal infrastructure and processes Publisher s description
