Climate Change Adaptations in Dryland Agriculture in Semi-Arid Areas Xavier Poshiwa,G. Ravindra Chary,2022-02-10 This book highlights the approaches for achieving trans disciplinary research integration for semi arid dryland agriculture systems under changing climates while also identifying the elements of a collaborative research agenda that are needed to advance global food security The book emphasizes climate change being a reality and how drylands are bearing the brunt in diverse ways The major impact of dryland agriculture is on communities that need to avoid the short and long term impacts of the changing climate adapt strategies that can minimize these impacts and be able to mitigate climate change for which they need climate smart interventions These interventions are only realized through knowledge and experience sharing among stakeholders from different sectors and backgrounds It is in this context that the publication was seen as a necessity in order to bring together ideas that will transform lives and build adaptation capacities thereby providing the much needed products in communities leading to development

Beyond the Crises: Zimbabwes Prospects for Transformation Tendai Murisa,Tendai Chikweche,2015-12-01 Over the past years few African countries have been the focus of discussions and analyses generating a vast array of literature as much as Zimbabwe The socioeconomic and political crises since the turn of the century have deeply transformed the country from the ideals of a vibrant freshly independent nation just two decades earlier These transformations have necessitated the call for the restructuring of Zimbabwean society polity and economy But this literature remains exclusively within the realm of academic thinking and theorising with no concerted effort to move beyond this by explicitly drawing out the policy implications Beyond the Crises Zimbabwes Prospects for Transformation is a welcome

addition to the academic and policy literature with a much broader and all embracing focus in terms of policy interventions. By focusing on different aspects of social and economic justice Murisa and Chikweche go beyond initiating a broad discussion on these two key pillars of human development with a view to suggesting possible future directions of practical solutions and policy development for the attainment of inclusive social and economic justice for Zimbabweans **Scaling up SDGs**

Implementation Godwell Nhamo, Gbadebo O. A. Odularu, Vuyo Mjimba, 2020-01-14 This volume challenges global leaders and citizenry to do more in order to resource the implementation of the 2030 Agenda for Sustainable Development AfSD and its 17 interwoven Sustainable Development Goals SDGs. Starting from the concept we cannot manage what we cannot measure the book presents some cases showing how to draw national level baselines for the domestication and localisation of the SDGs seeking to provide a clear roadmap towards achieving the 2030 AfSD. Scaling up SDGs Implementation is targeted at the United Nations national and state governments, sub national governments, the corporate sector and civil society including higher education institutes, labour groups, non governmental organisations and youth movements. The book is cognizant of these institutions' common but differentiated responsibilities and capabilities within their socio political environmental and economic conditions. The book presents case studies of how the corporate sector has been scaling up SDGs implementation from the tourism sector insurance to the aviation and agricultural sectors. To make sure that no one is left behind the volume includes cases on solutions for pressing environmental and socio economic problems ranging from cooperatives in Brazil to the conservation of springs in Zimbabwe. The matter of finding synergies between the climate SDG and the Paris Agreement's Nationally Determined Contributions NDCs is elaborated at length. Lastly the book discusses how institutions of higher education remain critical pillars in SDGs scaling up with cases of curriculum re orientation in South Africa to the rolling out of the Women's University in Africa. In this context this volume challenges every global citizen and organization to invest every effort into making the implementation of the SDGs a success as we welcome the second four to five year segment down the road to the year 2030.

Handbook of Research on Nascent Entrepreneurship and Creating New Ventures Carrizo Moreira, António, Dantas, José Guilherme Leitão, 2020-10-09 Due to the 2008-2009 crisis the United Nations 2030 agenda for sustainable development and the COVID-19 pandemic the role of entrepreneurship has become more critical in most economies. Moreover emerging protectionist policies are further encouraging the emergence of new entrepreneurial projects particularly to replace goods and services traditionally provided by other countries. Understanding current challenges and best practices in nascent entrepreneurship is integral for the successful launching of new ventures to support the revitalization of economies and achieve sustainability. The Handbook of Research on Nascent Entrepreneurship and Creating New Ventures is a crucial reference source that covers the latest empirical research findings in the field of entrepreneurship and addresses the obstacles entrepreneurs face in these recent challenging times. The book embraces a pluralistic perspective from academicians currently navigating nascent entrepreneurship and key concepts for launching

successful new ventures Covering topics that include government support programs spin off companies leadership strategic entrepreneurship and crowdfunding this book is targeted towards entrepreneurs professionals academicians researchers and students Labour, Employment and Economic Growth K. V. Ramaswamy, 2015-05-21 Discusses some key aspects in the

interrelated areas of economic development employment and structural change Post-Independence Development in Africa David Mhlanga, Emmanuel Ndhlovu, 2023-07-11 The book Post Independence Development in Africa Decolonisation and Transformation Prospects revisits the development debates and development realities in Africa This is achieved by offering theoretical comments about post independence development in Africa and by providing historical details pertaining to the development approaches adopted in Africa immediately after independence in the 1960s and mid 70s Sitting at the intersection of two sets of scholarly literature namely literature on development and literature on development discourses and practices in Africa the book comprises a mixture of detailed sector specific accounts of the status of development on the continent The chapters in the book also contribute to clarifying how the two strands of literature intersect using several case studies across Africa **Data governance in African health research: ELSI challenges and solutions** Donrich

Thaldar, Simisola Oluwatoyin Akintola, Bonginkosi Shoji, 2025-04-02 Data protection legislation is increasingly being enacted in African countries Additionally the African Union recently adopted the AU Data Protection Framework How are these legal and policy developments influencing established ethics notions about data governance in health research For example is broad or tiered consent to research participation sufficient or does new legislation require specific consent How do individual rights in data interact with communitarian values Should health research receive special treatment from a data protection regulatory perspective How should African countries approach AI in healthcare This research topic aims to identify and analyse ELSI challenges in contemporary data governance in African health research and to develop possible solutions for such challenges Articles in this research topic will aim to assist policy makers health researchers and ELSI practitioners in Africa to better navigate and where relevant improve data governance in African health research Perspective style articles as well as more in depth research articles are welcome While articles can analyse fundamental theoretical issues application oriented articles and articles that explore lessons learnt in practice are especially encouraged Authors should address one or more of following inter related themes within the research topic of data governance in African health research 1 Conflicts between new legal and policy developments and established ethics notions 2 Africanisation decolonisation and intra African rule harmonisation 3 The evolution of informed consent and the role of trust 4 The various legal ethical and social dimensions or meanings of data and how these dimensions interact 5 Power and control This includes individual institutional ethnic community and national claims to data It also includes existing and proposed structures of control of data such as data trusts and data transfer agreements DTAs 6 Engagement with data protection regulatory authorities 7 Artificial intelligence and Big Data SADC Gender Protocol 2013 Barometer , 2013-09-25 In August 2008 Heads of State of the Southern African

Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With two years to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2013 Barometer provides a wealth of updated data against which progress will be measured by all those who cherish democracy in the region The SADC Gender and Development Index SGDI introduced in 2011 complements the Citizen Score Card CSC that has been running for five years to benchmark progress

Digital Activism in Zimbabwe Tenford Chitanana, 2024-10-21 This book investigates the role of the internet and social media in political processes in non western and non democratic contexts Using Zimbabwe as a case study the book demonstrates how activists and ordinary people deploy social media particularly Facebook to subvert an enduring hegemonic state However the book also highlights how authoritarian regimes are in turn learning and adapting to the information age challenging the impact of digital activism Studies of digital activism in the Global South are often centred around democracy but this book paints a more complex picture examining the role and effect of digital activism in challenging state hegemony in authoritarian contexts The book notes that while communication technologies help mediate activism they are also simultaneously constrained by pre existing and emergent challenges tied to the social and political context and the inherent limitations of those technologies The book investigates the tactics used by digital activists the contextual factors and restrictive political environment they operate in including the role of pro government activists and ultimately the impact of digital activism given these constraints From the case of Zimbabwe the book builds out a broader theoretical analysis of the evolution of third world protest in the digital age examining the limitations of activists actions and the ideological deficit in online activism to ferment a virulent counter hegemony

Epidemics and the Health of African Nations MISTRA, 2019-07-25 News footage of disease in Africa is a familiar sight Yet these outbreaks are often presented out of context with no reference to the conditions that have triggered them MISTRA's new book Epidemics and the Health of African Nations aims to redress that Researchers and practitioners from within the continent explore why Africa is so vulnerable to disease and show how this vulnerability is closely linked to political and economic factors They demonstrate how these same factors determine the way epidemics are treated Authors extract lessons from case studies in different parts of Africa challenge conventional frameworks about disease to argue for a syndemics approach that takes into account the interrelationship between disease and political and socio economic contexts explore challenges of Africa's future They argue that a well functioning health system is at the core of a country's capacity to counter an epidemic This volume brings African experts together to probe possible solutions to the continent's heavy burden of disease The insights offered will be helpful in devising policy for the control of disease and the combatting of epidemics in Africa

Political Economy of Post-apartheid South Africa Gumede, Vusi, 2017-05-05 The book made up of three parts covers a wide spectrum of political economy issues on post apartheid South Africa Although the text is mainly descriptive to explain various areas of the political economy of post apartheid South Africa the first and the last parts provide illuminating insights on the kind of society that is emerging during the twenty one years of democracy in the country The book discusses important aspects of the political history of apartheid South Africa and the evolution of post apartheid society including an important recap of the history of southern Africa before colonialism The text is a comprehensive description of numerous political economy phenomena since South Africa gained its political independence and covers some important themes that have not been discussed in detail in other publications on post apartheid South Africa The book also updates earlier work of the author on policy and law making land and agriculture education and training as well as on poverty and inequality in post apartheid South Africa thereby providing a wide ranging overview of the socio economic development approaches followed

by the successive post apartheid administrations Interestingly three chapters focus on various aspects of the post apartheid South African economy economic policies economic empowerment and industrial development Through the lens of the notion of democratic developmental state and taking apartheid colonialism as a point of departure the book suggests that so far post apartheid South Africa has mixed socio economic progress The author s extensive experience in the South African government ensures that the book has policy relevance while it is also theoretically sound The text is useful for anyone who wants to understand the totality of the policies and legislation as well as the political economy interventions pursued since 1994 by the South African Government Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa Teshager Alemu, Kassa,Abebe Alebachew, Mulunesh,2018-02-09 Despite increasing reports across the globe on renewable development and maintenance little is known regarding what strategies are required for improved economic growth and prosperity in Africa Improving an understanding of the methods for promoting growth through reusable resource development and administration is a vital topic of research to consider in assisting the continent s development The Handbook of Research on Sustainable Development and Governance Strategies for Economic Growth in Africa provides emerging research on the strategies required to promote growth in Africa as well as the implications and issues of the expansion of prosperity While highlighting sustainable education pastoral development pathways and the public sector role readers will learn about the history of sustainable development and governmental approaches to improving Africa s economy This publication is a vital resource for policy makers research institutions academics researchers and advanced level students seeking current research on the theories and applications of development in societal and legal institutions

The Sustainability Ethic in the Management of the Physical, Infrastructural and Natural Resources of Zimbabwe Chirisa, Innocent,2019-05-27 Humanity has extensively exploited natural and physical resources since the Industrial Revolution in Europe A geological era now called the Anthropocene has been coined in environmental and developmental circles to mark the increased domination of humanity on Earth and its resources Today the ecological footprint on the fragile planet continues to increase Mass industrialisation like what China is doing and pushing for is one of the drivers for increased urbanisation that results in increased demand for land It is also the stimulus behind increased deforestation overfishing and pollution As the fragility of the Earth increases global bodies like the Intergovernmental Panel on Climate Change are pushing to reduce the Earth s temperature Human efforts to manage the problem cascade from a global to a regional to a national as well as to much localised scales Missing though are nuanced contributions at national and community levels which this book is an attempt to bridge The nagging sense of responsibility is what this book explores under the label of sustainability ethic As a case study the book examines the use of sustainability ethic in the management of the physical infrastructural and natural resources of Zimbabwe This ethic is built on pillars that include participation of people households in their pursuit for sustainable livelihoods appropriate technology tools and techniques for environmental

protection It also hinges on stewardship and structures institutions policies and processes of governance and sustainability There are also the aspects of ethics laws and indigenous technical knowledge for sustainability capacity building and education plans and programmes for sustainability and population and demographic determinants processes and outcomes for sustainability The book is a timely contribution to an urgent global concern and climate change debate
