The Astrological Guide to Self-Care Constance Stellas, 2019-12-17 Featuring activities to heal your mind body and soul now you can find the perfect way to treat yourself as the stars intended with this astrological self care guide It s time for a little me time powered by the zodiac By tapping into your sign s astrological energy and personality The Astrological Guide to Self Care brings cosmic relief to everyone with hundreds of relaxing and rejuvenating self care ideas tailored to your individual zodiac sign The Astrological Guide to Self Care provides information on taking care of yourself the inherent intersection between self care and astrology background on the elements sign specific self care guidance and hundreds of activities tied to the zodiac signs There s no better guide to personal growth than the stars Enjoy a facial if you re an Aries or spend some time gardening if you re a Taurus Sagittarians can satisfy their wanderlust by getting lost in a good book or if you re a Pisces treat yourself to a pedicure With this astrological self care reference you will discover the most cosmically compatible pampering routines ever *The Self-Improvement of Chess* Mark Borders, 2007-10-01 The Self Improvement of Chess Why the Game s Basics Apply to Daily Living is a journey into how the world s ultimate brain game is a perfect model for constructing and organizing your everyday life from a person who is just an average recreational player There are few diagrams and notations to bog down the casual reader Rather it is a collection of insights and stories that illustrate a practical perspective of the game It covers how even just the basic rules and fundamentals of chess can be applied to situations that arise in daily living The Music Industry Self Help Guide 2nd edition Michael Repel, 2015-10-06 I originally wrote The Music Industry Self Help Guide because it seems that regardless of genre or region every musician goes through identical stages of development and needs access to the same tools and information to get ahead in this industry Over the last three decades I have continued to see a reoccurring disparity with different musicians that don t know where to look and don t know what to look for which keeps them isolated with no real hope of success I ve encountered this not only in local developing music scenes but also while formally mentoring aspiring artists at music conferences across the country In writing the original manuscript my experience and accumulated knowledge base placed me in a unique position to provide you with information from the point of view of an artist a manager and also from that of a record label It was important in the creation of this book that all of these perspectives were taken into consideration as they vary so greatly in how they interpret what is actually required to succeed in today s market I also would like to stress the fact that the views in this book are not merely comprised of one person s observations of the music industry but includes tried and true methods of success that have been implemented by bands that have maintained relevance for more than three decades This resulted in a well rounded all encompassing guide to creating momentum and visibility for emerging artists that covered all of the developmental elements that they would need to lay a solid foundation for themselves in the independent market Although multiple books and publications have been written on some of the various subjects contained herein that have a cold

encyclopedic reference style of providing information what I did in writing The Music Industry Self Help Guide was approach as many of these topics as possible link them all together and present them on more of a personal and direct level What resulted was a brutally honest and thought provoking guidebook written in a conversational manner that can give your career a serious head start and help you move forward if you choose to implement its information The first edition provided a very solid framework for this expanded edition which has additional chapters resources lists and a step by step guide on how to fill out an online copyright form This entire book was also re tooled from the 1st Edition to provide quick and easy reference points for easy navigation What you now have in your hands is a book that was designed with your success in mind and has been refined into a better product for your added benefit Although this book encompasses the entire spectrum of the music industry from the earliest stages of a developing artist s career to the corporate wranglings of the music industry giants I chose to focus primarily on the independent market because this is the place that you must pass through while earning your stripes and paying your dues in this industry As the title implies this is a self help guide so what this book also does to prepare you for success is look at one of the largest hurdles that aspiring musicians face as they try to move forward in their career themselves No other key component in this book will surpass the importance of one s ability to master oneself and this book will callously press you to take an unflinching look inside yourself to understand who you really are and attempt to identify what is holding you back How far you get beyond the independent market will not only rely on the quality of the music you release but will also hinge largely on how you utilize the things that you read in this book Approx 400 pages 34 chapters 50 color photos and several resources

 Eva Illouz,2014-05-22 From its beginnings in Twilight fan fiction to its record breaking sales as an e book and paperback the story of the erotic romance novel Fifty Shades of Grey and its two sequels is both unusual and fascinating Having sold over seventy million copies worldwide since 2011 E L James s lurid series about a sexual ing nue and the powerful young entrepreneur who introduces her to BDSM sex has ingrained itself in our collective consciousness But why have these particular novels poorly written and formulaic as they are become so popular especially among women over thirty In this concise engaging book Eva Illouz subjects the Fifty Shades cultural phenomenon to the serious scrutiny it has been begging for After placing the trilogy in the context of best seller publishing she delves into its remarkable appeal seeking to understand the intense reading pleasure it provides and how that resonates with the structure of relationships between men and women today Fifty Shades Illouz argues is a gothic romance adapted to modern times in which sexuality is both a source of division between men and women and a site to orchestrate their reconciliation As for the novels notorious depictions of bondage discipline and sadomasochism Illouz shows that these are as much a cultural fantasy as a sexual one serving as a guide to a happier romantic life The Fifty Shades trilogy merges romantic fantasy with self help guide two of the most popular genres for female readers Offering a provocative explanation for the success and popularity of the Fifty Shades of Grey novels Hard Core Romance is an insightful look at modern relationships and contemporary women s literature
