Morality is a set of rules concerning right and wrong behaviour. Ethics is the branch of philosophy that attempts to provide clear arguments about which moral rules are best and how those rules ought to be interpreted.

There are several different ethical theories or frameworks for ethical decision-making, each of which has been advocated by prominent moral philosophers. Some philosophers, for example, advocate thinking about [ethics](#) entirely in terms of consequences: what action will produce the best outcomes overall? Others have argued in favour of thinking solely in terms of duties, and absolute principles of behaviour – such as 'Always tell the truth' – that could be adhered to by all. Still others have advocated thinking about ethics ... Show more content on Helpwriting.net ...

ACCA Paper P1 - Professional Accountant Practice and Revision Kit BPP Learning Media, 2010-01-01 The Association of Chartered Certified Accountants ACCA is the global body for professional accountants. With over 100 years of providing world class accounting and finance qualifications the ACCA has significantly raised its international profile in recent years and now supports a BSc Hons in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The P1 Professional Accountant exam is based on the themes of professionalism, responsibility and accountability. The syllabus emphasises what is important for a well run organisation and illustrates the factors underpinning professional behaviour by accountants. Corporate governance arrangements should ensure that the organisation functions smoothly and directors and managers are accountable. Corporate governance requires sound systems of internal control and risk management. Accountants should think carefully about what their ethical positions are and what views of society their professional opinions support. Accountants and businesses should be aware of the social and environmental impacts their activities have. The P1 Practice and Revision Kit contains invaluable guidance on how to tackle the exam. It focuses on what you should look for in questions on different syllabus areas and what question requirements are asking you to do. The questions the Kit provides enable you to put these skills into practice as they reflect the types of scenario question requirements and breadth of coverage that we expect to see in the exam. The Kit includes all the illustrative questions issued by the examiner. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams. [ACCA Essentials P3 Business Analysis Revision Kit 2014](#) BPP Learning Media, 2014-06-01 The examining team reviewed P3 Practice Revision Kit provides invaluable guidance on how to approach the exam and contains past ACCA exam questions for you to try. It focuses on teaching you what to look for in questions and how to determine what the requirements are asking you to do. It contains many past exam questions and additional questions prepared by BPP Learning Media which reflect the scenarios and technical questions you will find in the exam. **Sustainability in Accounting Education** Maria Cadiz Dyball, Ian Thomson, Richard M.S. Wilson, 2015-10-14 Accounting sustainably involves accounting for and to the natural environment and accounting for and to society including groups currently oppressed or disadvantaged by unsustainable processes and practices. This book creates a compelling case for the inclusion of sustainability at the heart of accounting educational programmes offering critical lessons and identifying risks to avoid when designing accounting programmes and courses. Accounting sustainability has moved from the side lines of policy discourses accounting institutions professional accounting practices and research activities into the mainstream. The chapters in this proposed book engage in a critical dialogue to facilitate change in accounting education for sustainability. They dispel the myth that accounting for sustainability is an oxymoron bad for business unrelated to practice or contrary to professional accounting bodies accreditation requirements. This book was originally published as a special issue of
