Cinematic Sociology Jean-Anne Sutherland, Kathryn Feltey, 2012-04-17 Cinematic Sociology is a one-of-a-kind resource that helps students recognize and critique sociological concepts as they appear in blockbuster Hollywood films. In addition, it provides pedagogy for instructors who use film in their classes. In this engaging text, the authors take readers beyond watching movies and demonstrate how to read films sociologically. In the process, students are exposed to major substantive areas of sociology and encouraged to critically think about their social world. The book's 27 essays from expert scholars in sociology and cultural studies explore the ways social life is presented, distorted, magnified, or politicized in popular film.

Focus On: 100 Most Popular Nonlinear Narrative Films Wikipedia contributors, **Focus On: 100 Most Popular American Romantic Drama Films** Wikipedia contributors, **The Sweetness of Freedom** Martha Aladjem Bloomfield, Stephen Garr Ostrander, 2010-08-27 The Sweetness of Freedom presents an eclectic grouping of late nineteenth and twentieth-century immigrants' narratives and the personal artifacts, historical documents, and photographs these travelers brought on their journeys to Michigan. Most of the oral histories in this volume are based on interviews conducted with the immigrants themselves. Some of the immigrants presented here hoped to gain better education and jobs. Others, refugees, fled their homelands because of war, poverty, repression, religious persecution, or ethnic discrimination. All dreamed of freedom and opportunity. They tell why they left their homelands, why they chose to settle in Michigan, and what they brought or left behind. Some wanted to preserve their heritage, religious customs, traditions, and ethnic identity. Others wanted to forget past conflicts and lost family members. Their stories reveal how they established new lives far away from home, how they endured homesickness and separation, what they gave up, and what they gained.
