Financial Accounting, 12th Edition John Hoggett, John Medlin, Keryn Chalmers, Claire Beattie, Andreas Hellmann, Jodie Maxfield, 2024-02-12 A benchmark Financial Accounting text over the past 30 years Hoggett's Financial Accounting has been refreshed in this twelfth edition. A must have for students who want to succeed in their unit and leave with a rich foundation of technical knowledge for their future study and accounting career. The text focuses on accounting from the perspective of a financial statement preparer. With two versions being published, Hoggett's Financial Accounting can be used for either the typical one semester course or Hoggett's Accounting with six additional introductory management accounting chapters can extend to two semesters. The eBook edition of Financial Accounting 12th Edition features a range of instructional media content designed to provide students with an interactive and engaging learning experience. This unique resource can also form the basis of a blended learning solution for lecturers.

A Textbook of Cost and Management Accounting (12/e) M N Arora, A Textbook of Cost and Management Accounting provides the students with thorough grounding in cost concepts, cost behaviour and methods and techniques of cost and management accounting with an understanding of the uses and limitations of cost and financial data for managerial operations. The text of the subject matter has been presented in a student friendly, simple and intelligible manner. Every discussion involving conceptual complexity is immediately illustrated by a numerical example. In addition, the book contains a liberal sprinkling of charts and diagrams so as to make the subject easily understandable and highlight its key points. The subject matter has been organized on a first things first basis for its logical presentation that sustains interest. The approach of the book is examination oriented. Thus, a good number of problems and solutions have been included in its chapters. Theoretical and numerical questions have been mostly selected from various examinations. Objective type questions have been given to serve as self test by students. This is an ideal book for self study.
