The ANIE Kevin Bird,Kirk Savage,2014-02-14 Discover a powerful tool that will revolutionize your classroom teaching and learning in math all in a single page The ANIE Assessment for Numeracy in Education is a teacher developed assessment template that uses performance standards to evaluate student comprehension enabling you to plan timely and targeted instruction and intervention where they are needed most This straightforward book introduces a 5 step process for solving any math question and offers proven techniques for helping students to explain math problems and make relevant connections to the real world *Emergentist Approaches to Language* Brian MacWhinney,Vera Kempe,Ping Li,Patricia J. Brooks,2022-02-16 *Chinese Urban Transformation* Chen Yuanzhi,Alan Hudson,He Lisheng,2019-06-27 Now an established global force China has experienced a sustained period of staggering economic growth since policy reform in the 1970s Chinese urbanisation is the most significant example of economic environmental and social change both within China and globally In recent years central government has made a concerted effort to encourage city governments to realign their priorities and achieve a balance between economic efficiency social justice and environmental protection Chinese Urban Transformation A Tale of Six Cities is a fascinating exploration of the dramatic development Chinese cities have undergone Tracing this transformation through a comprehensive analysis of social and economic change in six cities it unravels the complex relationship between policy outlook and role that urban development plays in China s view of itself including the tensions resulting from rapid social and economic change *Sustainable and Resilient Global Practices* Torben Juul Andersen,2024-07-19 The chapters presented here by global scholars fill the void in current knowledge of how to generate effective strategic adaptation in times of abrupt environmental changes generating important leads for forthcoming scholarship efforts for the benefit of business and society *Perceptual Linguistic Salience: Modeling Causes and Consequences* Alice Blumenthal-Dramé,Adriana Hanulíková,Bernd Kortmann,2017-06-05 Recent years have seen an upsurge of interest in the notion of salience in linguistics and related disciplines While in top down salience perceivers endogenously direct their attention to a certain stimulus in the bottom up salience it is the stimulus itself which attracts attention In prototypical cases of bottom up salience the stimulus stands out because it is incongruous with a given ground by virtue of intrinsic physical characteristics But a stimulus may also cause surprise by virtue of deviating from a cognitive ground e g when violating social or probabilistic expectations This has prompted researchers to examine the relationship between expectations and the perceptual salience of linguistic stimuli in new ways This e book features contributions from different scientific frameworks The reader will find commentaries reviews and original research articles on models of sociolinguistic and morphological salience the role of attention affect and predictability and on how salient items are processed categorized and learned Taken together the articles in this volume contribute to our understanding of how the perceptual salience of linguistic forms and variants can be theoretically framed and methodologically operationalized in different areas of linguistic

processing **Explainable Intelligent Processing of Biological Resources Integrating Data, Information, Knowledge, and Wisdom** Yucong Duan,Yungang Xu,2022-01-21 **Research Handbook on the Sociology of Organizations** Godwyn, Mary,2022-06-10 With original contributions from leading experts in the field this cutting edge Research Handbook combines theoretical advancement with the newest empirical research to explore the sociology of organizations While including the traditional study of formal corporate business organizations the Handbook also explores more transitory informal grassroots organizations such as NGOs and artist communities **Fortress Farming** Jeff Neilson,2025-05-15 Fortress Farming identifies in Indonesia s rural coffee growing regions an alternative livelihood strategy that is reshaping relationships with land and informing Indonesia s agrarian transition Jeff Neilson presents fortress farming households as ones that are reluctant to embrace productivity maximizing agriculture even as they interact with commodity markets and powerful downstream companies Rather these households tenaciously maintain access to land as a last defense against insecurity in a precarious global economy all the while actively tapping into off farm income sources Fortress farming confounds assumptions that the development process entails an inevitable transition away from the land and into city based manufacturing Shifting away from production to take a fuller view of rural Indonesian coffee growing communities Fortress Farming explores how and why defensive farming strategies have emerged and what these tendencies mean for our understanding of agrarian transition in late industrializing countries in the early twenty first century Neilson posits that late industrializing countries may never undergo a full agrarian transition In the alternative livelihood practice of fortress farming we see a way that local social institutions can resist or at least modify the productive forces of capitalist agriculture
