ACCOUNTING NOVEMBER 2011 MEMORANDUM

MARKS: 300

MARKING PRINCIPLES:

1. Penalties for foreign items are applied only if the candidate is not losing marks elsewhere in the question for that item (no penalty for misplaced item). No double penalty applied.
2. If a pre-adjustment figure is shown as a final figure, allocate the part-mark for the working for that figure (not the method mark for the answer).
3. Unless otherwise indicated, the positive or negative effect of any figure must be considered to award the mark. If no + or – sign or bracket is provided, assume that the figure is positive.
4. Where indicated, part-marks may be awarded to differentiate between differing qualities of answers from candidates.
5. Where method marks are awarded for operation, the marker must inspect the reasonableness of the answer before awarding the mark.
6. In awarding method marks, ensure that candidates do not get full marks for any item that is incorrect at least in part.
7. Codes: f=foreign item; p=placement/presentation.

This memorandum consists of 19 pages.

Interpretation and Application of IPSAS Caroline Aggestam-Pontoppidan, Isabelle Andernack, 2016-02-16 Clear practical IPSAS guidance explanation and examples Interpretation and Application of IPSAS provides practical guidance on the implementation and application of the International Public Sector Accounting Standards This book brings readers up to date on the standards and describes their proper interpretation and real world application Examples and mini case studies clarify the standards roles throughout giving readers a better understanding of complex processes especially where the IPSAS deviate from IFRS Readers also gain insight into smoothly navigating the transition for a public sector entity which is moving to either IPSAS under accrual basis of accounting or to cash accounting IPSAS plus an overview of IPSAS adoption status and methods around the world Global public sector accounting is highly diversified resulting in ongoing moves to harmonise standards worldwide The IPSAS are international standards that largely follow the IFRS model but differ in some key areas and include standards in places where IFRS has none This book provides complete guidance to IPSAS with clear explanation and expert insight Understand the meaning and role of each standard Apply the standards to real world scenarios Manage the process of transition to IPSAS These standards are meant to be followed by all public sector entities including national and regional governments and local authorities They've been adopted by the UN NATO the European Commission and others and either have been or soon will be adopted in Malaysia Switzerland Spain and more

Financial Management and Accounting in the Public Sector Gary Bandy, 2023-03-14 The importance of public financial management for the health and wellbeing of citizens became dramatically apparent as governments sought to respond to the coronavirus pandemic in 2020 Now governments and other public sector organizations face the challenge of recovering from the pandemic whilst also seeking to achieve Sustainable Development Goals with squeezed budgets and ever increasing demands for public services Public sector managers are confronted daily with targets and demands that are often set in confusing accounting and financial language In *Financial Management and Accounting in the Public Sector* Gary Bandy employs a clear and concise narrative to introduce the core concepts of public financial management to help those managers to deliver programmes projects and services that are value for money As the author puts it managing public money is an art not a science This third edition has been revised and updated throughout offering a structure that is more clearly linked to the stages of the public financial management cycle

greater coverage of transparency and accountability issues a broader view of public procurement to include goods works and services and effective contract management and an increased focus on public spending in the context of a post COVID environment With a glossary of terms to help managers understand and be understood by accountants as well as learning objectives discussion questions and exercises this practical textbook will help students of public management and administration to understand the financial and accounting aspects of managing public services **How South Africa Works**

Jeffrey Herbst,Greg Mills,2015-07-01 The overwhelming challenge that South Africa faces and has to date failed to address is unemployment which falls especially on African youths who were promised a better future after 1994 If the current unemployment challenge is not addressed it will be impossible to sustainably lift many millions of people out of poverty How South Africa Works reviews the country s major economic achievements over the past two decades Through numerous interviews with politicians business leaders and analysts it examines the challenges and opportunities across key productive sectors including agriculture manufacturing services and mining illustrative of the policy challenges that leaders face It scrutinises the social grant and education systems to understand if South Africa has established mechanisms for people not only to escape destitution but be ready to be employed and identifies steps that some of South Africa s most notable entrepreneurs have taken to build world class enterprises Recognising the essential challenge to cultivate more employers to employ people How South Africa Works concludes by offering an agenda and active steps for greater competitiveness for government business and labour **South Africa's Insurgent Citizens**

Doctor Julian Brown,2015-07-15 Twenty years on from South Africa s first democratic election the post apartheid political order is more fractured and more fractious than ever before Police violence seems the order of the day whether in response to a protest in Ficksburg or a public meeting outside a mine in Marikana For many this has signalled the end of the South African dream Politics they declare is the preserve of the corrupt the self interested the incompetent and the violent They are wrong Julian Brown argues that a new kind of politics can be seen on the streets and in the courtrooms of the country This politics is made by a new kind of citizen one that is neither respectful nor passive but instead insurgent The collapse of the dream of a consensus politics is not a cause for despair South Africa s political order is fractured and in its cracks new forms of activity new leaders and new movements are emerging **Encyclopedia of Mineral and Energy Policy**
