New Reclamation Era, 1908 **Lobbying America** Benjamin C. Waterhouse, 2015-11-24 Lobbying America tells the story of the political mobilization of American business in the 1970s and 1980s Benjamin Waterhouse traces the rise and ultimate fragmentation of a broad based effort to unify the business community and promote a fiscally conservative antiregulatory and market oriented policy agenda to Congress and the country at large Arguing that business s political involvement was historically distinctive during this period Waterhouse illustrates the changing power and goals of America s top corporate leaders Examining the rise of the Business Roundtable and the revitalization of older business associations such as the National Association of Manufacturers and the U S Chamber of Commerce Waterhouse takes readers inside the mind set of the powerful CEOs who responded to the crises of inflation recession and declining industrial productivity by organizing an effective and disciplined lobbying force By the mid 1970s that coalition transformed the economic power of the capitalist class into a broad reaching political movement with real policy consequences Ironically the cohesion that characterized organized business failed to survive the ascent of conservative politics during the 1980s and many of the coalition s top goals on regulatory and fiscal policies remained unfulfilled The industrial CEOs who fancied themselves the voice of business found themselves one voice among many vying for influence in an increasingly turbulent and unsettled economic landscape Complicating assumptions that wealthy business leaders naturally get their way in Washington Lobbying America shows how economic and political powers interact in the American democratic system **Education for the New Era**, 1928 *The New Era*, 1927 **The Money Market Review**, 1863 **The Athenaeum**, 1885 **The Vietnam War in American Memory** Christian Goodwillie, Jane F. Crosthwaite, 2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ s Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect s unconventional religious ideas to new converts In 1812 13 the Shakers published their first hymnal This venture titled Millennial Praises included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This scholarly edition of the hymnal joins the texts to original Shaker tunes for the first time One hundred and twenty six of the tunes preserved in the Society s manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars Many texts are presented with a wide range of variant tunes from Shaker communities in New England New York Ohio and Kentucky Introductory essays by volume editors

Christian Goodwillie and Jane F Crosthwaite place Millennial Praises in the context of Shaker history and offer a thorough explication of the Society's theology. They track the use of the hymnal from the point of publication up to the present day, beginning with the use of the hymns by both Shaker missionaries and anti-Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake, Maine. The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden, the last member of the Society at Hancock Shaker Village.
