Budget of the United States Government United States. Office of Management and Budget,2015 **Education Savings Accounts** Nat Malkus,Adam Peshek,Gerard Robinson,2017-03-16 School choice has been central to American education policy debate for a quarter century But throughout school choice has been just that school choice In a potentially profound development Education Savings Accounts ESAs reimagine parent choice in ways that may upend many assumptions that have framed issues of school choice in the past ESAs offer something wholly new allowing parents to customize their child s education by stitching together traditional schools and different education providers including tutors therapists online and blended models Of course a raft of new questions and potential challenges accompany these new ESA programs which in 2015 existed in five states Arizona Florida Mississippi Nevada and Tennessee and were introduced by legislators in another sixteen Yet for all their potential import ESAs are barely understood This volume seeks to provide a comprehensive fair minded treatment of ESAs and will address the rationale for them the challenges they pose what it takes for them to work and the political and legal dynamics at play Efficient, Effective, Accountable United States.
