In *Deeper Reading*, Kelly shares effective classroom-tested strategies that enable your students to accept the challenge of reading difficult books, move beyond a first-draft understanding of the text into deeper levels of reading, consciously monitor their comprehension as they read, employ effective fix-it strategies when their comprehension begins to falter, use meaningful collaboration to achieve deeper understanding of texts, think metaphorically to deepen their reading comprehension, reach deeper levels of reflection by understanding the relevance the book holds for themselves and their peers, use critical thinking skills to analyze real-world issues. Kelly also provides guidance on effective lesson planning that incorporates strategies for deeper reading. Funny, poignant, and packed with practical ideas that work in real classrooms.
