Dunlap, 2015-12-22 What transformation would happen if we could combine the best of liberal politics with psychology Awakening our Faith in the Future investigates the avenues for creating a new branch of psychology a transformative political psychology In the past political psychology has focused directly on analysis and knowledge acquisition rather than on interventions that transform self and culture A transformative political psychology combines the best of traditional social science with the transformative intent of clinical psychology in order to create a new political culture Peter T Dunlap suggests that while liberals focus intently outside of themselves on changing the world those with psychological interests focus much more internally on changing themselves In this book he argues that by combining political liberalism and psychology and encouraging psychologists to develop cultural learning practices based on ideas of self knowledge there is opportunity to transform our political culture Divided into five parts this book explores stories of political destiny questions of development opportunities for political development a speculative theory of cultural evolution practices of a political psychologist This scholarly text uses personal experiences and the stories of progressive political leaders as pathways for addressing political problems making it ideal reading for professionals and students in the fields of both politics and psychology as well as for activists interested in the future of liberalism *War in Roman Myth and Legend* Paul Chrystal, 2020-12-31 An enlightening look at the importance of war gods and their myths to the ancient Romans This book redresses the relative lack of work published on the role of war in classical myth and legend At the same time it debunks the popular view that the Romans had little mythology of their own and idly borrowed and adapted Greek myth to suit their own ends While this is true to some extent War in Roman Myth and Legend clearly demonstrates a rich and meaningful independent mythology at work in Roman culture The book opens by addressing how the Romans did adopt and adapt Greek myths to fashion the beginnings of Roman history it goes on to discuss the Roman gods of war and the ubiquity of war in Roman society and politics and how this was reflected in the Aeneas Foundation Myth the Romulus and Remus Foundation Myth and the legends associated with the founding of Rome Also discussed are warlike women in Roman epic Trojan heroes and the use of mythology by Roman poets other than Virgil The Theban Legion and the vision of Constantine myths conclude the journey [Black Bear Outlaws Box Set: Books 1-3](#) Deanna Chase, Meet the Doucets in the Black Bear Outlaws Trilogy Cyrus He s loved her since they were kids Cyrus Doucet used to be the bad boy the one all the girls wanted all of them except one the girl next door He s everything she says she doesn t want Claire Erickson s always been the good girl until now She s in trouble and the only person she can turn to is her outlaw neighbor Cyrus Doucet Chase She s exactly what he s looking for

Chase Doucet knows what he wants He s a man who lives his life on the edge and as far as he can see so does Katrina Craig One way or another he s determined to have her He s her match in every way but one Katrina Craig has finally found the man and adventure she s been looking for But when life throws her a curve ball suddenly she s got a secret that could ruin everything Cole He s a man in danger of losing his self control Cole Doucet has a job to do Protect the starlet at any cost But who s going to protect her from him She s a woman in danger of losing her heart After a crazed stalker forces Amberly Matthews to leave Hollywood and her life in the public eye she counts down the days until she can be back on the set But when trouble follows her to Bayou Basin she s once again thrust into danger and the arms of Cole Doucet Formerly published under the pen name Kenzie Cox
